W I T N E S S E T H:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) operating and maintaining a stormwater drainage conveyance system (the "Work"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** The above recitations are true and correct and are incorporated herein by reference.

2. **Grant and Use of Easement.** Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the Work (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the

location of the Work as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Limitation of Rights.** This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the Work with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the Work from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Work to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement amending the description of the Easement Area to reflect the designated location where the Work are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement
