WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement on, over, under and across the portions of the Easement Area where the Facilities are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement.** Grantor grants to Grantee a non-exclusive temporary easement (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights, if any, of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on July 31, 2023 (the "**Termination Date**"). This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date, except as otherwise set out herein. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Temporary Easement Agreement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

4. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Facilities to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Facilities are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Facilities. If any or all of the Easement Area or the Facilities are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Facilities, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "**Laws**"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Facilities, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Facilities;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.
