The District Clerk recorded proof of publication of the meeting notice. **(EXHIBIT G)**

John H. Classe, Jr., Secretary
RCID Board of Supervisors

Mr. Classe then turned it over to Mr. Kerry Satterwhite, Director-Facilities, to say a few words. Mr. Satterwhite advised that he was fairly new to the District. However, he quickly learned that if you need anything, Mr. Hoffman is the person to go to. Mr. Satterwhite advised that Mr. Hoffman has been both his teacher and mentor and he will never be able to replace him. Mr. Hoffman will truly leave a void upon his retirement, but it is much deserved. Mr. Hoffman was then presented with a copy of RCID Resolution No. 623 as well as a plaque from RCID honoring his service to the District. Mr. Hoffman then said a few words about his future plans upon retirement. Chief LePere also shared a few stories of his working with Mr. Hoffman before, as well as after, he came to the District.

Ms. Blakeslee advised that Craig and Sylvia Dunlap, Dunlap & Associates, were both on the Board call today as she will be discussing new utility revenue bonds needed for the District. Right now, the timeline is to close by the end of February. Mr. Dunlap and Mr. Quinn issued a request for rates from several banks and underwriters. Truist Bank has wanted to hold RCID debt, but had not been competitive in the past. However, they have proposed the most competitive rates.. These will be taxable and tax-exempt bonds averaging 1.5% over a 20-year period. Ms. Blakeslee advised that this will be a nice add to RCID's portfolio. Ms. Blakeslee advised that a Resolution will be brought to the Board at January's BOS meeting.

CONSENT AGENDA

President Hames proceeded to the Consent Agenda and advised that the Consent Agenda exists of general administrative items and items under a specific cost threshold. Any item can be pulled from the Consent Agenda for further discussion, if requested. Consent Agenda items are shown below:

The Second Amendment extends the original purchase Term to December 31, 2022.

Item 6B – World Drive North Phase 3 – Utility Relocations Change Order

CONSIDERATION of Request for Board approval to execute a Change Order to Work Authorization W001 under Master Services Agreement #M000132 to **Land Design, Inc.**, in the total amount of **\$13,920.00** for work associated with the World Drive North Phase 3 project. Funding for this request is included in the approved project budget and is derived from the RCID 2016-2020 Transportation Projects Ad Valorem Bonds.

cleaning and inspection program, three locations of collapsed and corroded pipes were found on Buena Vista Drive (BVD). Mr. Herrick advised that the scope of this work is to remove and replace 250 ft. of 24 in. pipe and re-line approximately 3,300 feet of pipeline. Mr. Herrick advised that this project will include a significant amount of MOT. Mr. Herrick advised that this request is to establish an initial budget for this project. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Brito and duly seconded, the Board unanimously approved the request. **(EXHIBIT A)**

Item 7B – BVD Gravity Sewer Repair – Construction Services

Mr. Herrick requested Board approval to award a Contract to **Gulfcoast Utility Constructors, Inc.**, in the amount of **\$1,477,030.00** for construction of the BVD Gravity Sewer Repair project. Funding for this request is subject to reimbursement from the RCID Series 2018-1 Utility Revenue Bonds (Non-Taxable). Mr. Herrick advised that this request is to award a contract to the lowest bidder, Gulfcoast Utility Constructors. Mr. Herrick advised that only two bids were received out of four invited contractors. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Greer and duly seconded, the Board unanimously approved the request.

Item 7C – BVD Gravity Sewer Repair – RCES Soft Costs

Funding for this request is subject to reimbursement from the RCID Series 2018-1 Utility Revenue Bonds (Non-Taxable). Mr. Herrick advised that this request is for soft costs related to this project. Mr. Herrick advised that the work will proceed right away, but the bulk of the work will be started after the holidays due to extensive MOT involved. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Greer and duly seconded, the Board unanimously approved the request.

Item 7D – WWTP Influent Channel Rehabilitation – Revised Initial Budget

Mr. Herrick requested Board approval to revise the initial project budget for the WWTP Influent Rehabilitation project from **\$2,612,500.00** to **\$2,737,500.00**. Funding for this request is subject to reimbursement from the RCID Series 2018-1 Utility Revenue Bonds (Non-Taxable). Mr. Herrick advised that this request is for adding some additional scope of work to the project due to some existing pipe being severely compromised. Mr. Herrick advised that rather than replace the lining, it is less expensive to replace 100 feet of 48-inch pipeline with glass fiber polymer pipe. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Schoolfield and duly seconded, the Board unanimously approved the request. **(EXHIBIT B)**

Item 7E – WWTP Influent Channel Rehabilitation – Change Order

Mr. Herrick requested Board approval to execute a Change Order with **Garney Companies, Inc.**, in the amount of **\$138,382.00** for the WWTP Influent Channel Rehabilitation project. Funding for this request is subject to reimbursement from the RCID Series 2018-1 Utility Revenue Bonds (Non-Taxable). M. Herrick advised that this request is to have Garney Companies to replace the pipeline mentioned above. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Brito and duly seconded, the Board unanimously approved the request.

Mr. Herrick advised that this request is associated with the relocation of chilled water/gas lines along the corridor. Mr. Herrick advised that this work is normally done in-house, but the cast member who performed this type of work has since left the company. Therefore, Pond Company will be the new engineer of record. President Hames asked if there were any public comments on this request and there were none. Upon motion by Ms. Adams and duly seconded, the Board unanimously approved the request.

Item 7G – World Drive North Phase 3 – Utility Relocations Work Authorization

Mr. Herrick requested Board approval to execute a Work Authorization under Master Services Agreement #M000126 to **Fred Wilson & Associates, Inc.** in the total amount of **\$99,431.00** for work associated with the World Drive North Phase 3 Utility Relocation project. The total amount is comprised of a fee in the amount of **\$97,272.00** and reimbursable expenses in the amount of **\$2,159.00**. Funding for this request is included in the approved project budget and is derived from the RCID 2016-2020 Transportation Projects Ad Valorem Bonds. Mr. Herrick advised that while replacing the chilled water lines, we will need to rent four 500-ton temporary chillers for the Grand Floridian and four 500-ton chillers for the Polynesian for their usage. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Schoolfield and duly seconded, the Board unanimously approved the request. **(EXHIBIT C)**

Ms. Lee Pulham requested Board approval and adoption of RCID Resolution No. 622, annexing that parcel of land lying in Section 29, Township 24 South, Range 28 East, Orange County. Ms. Pulham advised that this request is to continue the right-of-way along the BVD/EPCOT corridor just in case it is determined there is a need for parkway work. If improvements or changes are needed, there will be no need to deal with any more de-annexations. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Brito and duly seconded, the Board unanimously approved the request.

President Hames then asked if there was any further business to discuss.

Mr. Classe advised that a last minute item has come up that needs the Board's consideration for approval. The Orange County Public School (OCPS) is constructing a new school just north of the Origis Solar Facility along SR429 and there is an existing access easement on the parcel that needs to be relocated., A Second Amendment to Declaration of Covenants, Conditions, Restrictions and Easements was taken to the OCPS Board and approved, which now needs to be approved by RCID. A copy of this document was given to the Board which shows the area to be relocated to go around the school property instead of through the middle of the school which is now under construction. This change will provide access to the old Johnny Ficquette property which was bought by WDP&R. President Hames asked if there were any public comments on this request and there were none. Upon motion by Mr. Brito and duly seconded, the Board unanimously approved the request.

Mr. Classe advised the BOS members that he will be taking them on a tour of the property and then to lunch immediately following the conclusion of today's meeting.

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Facilities to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute

an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Facilities are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Facilities. If any or all of the Easement Area or the Facilities are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Facilities, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Facilities, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Facilities;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7. hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees,

representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this

Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

11. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "Property"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "Easement Area"), for the purpose of: (i) _____ (the "_____"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "permitted use"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. The above recitations are true and correct and are incorporated herein by reference.
2. **Grant and Use of Easement**. Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "Easement") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and

other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to

accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area:

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property:

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area:

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area:

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph:

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation:

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____:

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and

restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "**Indemnitees**") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time, in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Permanent Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Permanent Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Permanent Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

10. **No Warranty: Entire Agreement.** Grantor makes no representations, statements, warranties or agreements to Grantee in connection with this Permanent Easement Agreement or the Easement Area, other than as may be set forth herein. This Permanent Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Permanent Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto, in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Permanent Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove

defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's _____, arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “Property”); and

WHEREAS, Grantee desires to obtain a non-exclusive utility easement on, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “Easement Area”), for the purpose of: installing, inspecting, replacing (in the same location), operating, maintaining and repairing underground power lines and underground power facilities (collectively, the “Utilities”)’ sometimes referred to as the “permitted use”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive utility easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** The above recitations are true and correct and are incorporated herein by reference.
2. **Grant and Use of Easement.** Grantor grants to Grantee, a non-exclusive easement (this “Easement”) on, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (its permitted successors and assigns, employees, contractors, and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the underground powerUtilities (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor’s adjacent

property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the Utilities as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Easement Agreement to the contrary, Grantee (including, without limitation, its permitted successors and assigns) shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area, except in the case of emergency in which case such prior notice shall not be required. In the case of an emergency, Grantee shall provide to Grantor by way of email or fax notification of emergency work performed and identifying location of same, within 72 hours of work completion. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its permitted successors, assigns employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the Utilities with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

c) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Utilities to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantor's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Easement Agreement amending the description of the Easement Area to reflect the designated location where the Utilities are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Easement Agreement and the relocation, alteration or modification of the Easement Area or the Utilities, in whole or in part. If any or all of the Easement Area or the

Utilities are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantor's sole cost and expense) promptly remove the Utilities and restore the Easement Area to the same condition existing at the time of the execution of this Easement Agreement, and commence construction of the new facilities on such new location designated by Grantor; and

d) plat, replat or dedicate the Easement Area to the public, subject to this Easement.

5. **Covenants of Grantee.** Grantee, for itself, its successors, assigns, grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

c) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

d) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

e) operate, maintain, replace, and repair the Utilities, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, invitees, successors, or assigns. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the Utilities. Notwithstanding the foregoing, Grantee shall not be liable for Hazardous Materials existing on the Easement Area prior to the Effective Date or for Hazardous Materials brought onto the Easement Area by Grantor or third parties;

h) after completion of any repair or replacement work with respect to the Utilities (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on

the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area at the direction or sufferance of Grantee or its assigns. If any such lien is filed against the Easement Area, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Easement Agreement and fails to cure any such breach within thirty (30) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) one percent (1%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its successors, assigns, employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property sustained from the activities, operations or use of the Easement Area by Grantee, its successors, assigns, grantees, invitees, employees, contractors, and agents. Grantee (for itself, its successors, assigns, grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate to: (i) operations on, or the use of, the Easement Area by Grantee (its successors, assigns, grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its successors, assigns, employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its successors, assigns, grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused on or about the Easement Area; (iv) the negligent or willful acts or omissions of Grantee (its successors, assigns, grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

8. **Insurance.** Grantee shall carry, or (as applicable) require Grantee's contractors to carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, employees, and assigns of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and noncontributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor. With the consent of Grantor which shall not be unreasonably withheld, Grantee may self-insure in lieu of the above-referenced insurance obligations.

9. **No Warranty: Entire Agreement.** Grantor makes no representations, statements, warranties or agreements to Grantee in connection with this Easement Agreement or the Easement Area, other than as may be set forth herein. 2. **Grant and Use of Easement.** Grantor grants to Grantee a non-exclusive temporary easement (this “Easement”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on the date (the “Termination Date”) which is the earlier of (i) the date that Grantor and Grantee execute a permanent easement agreement for the Communication Lines in accordance with Section 3 hereof, or (ii) **January 31, 2021**. This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Permanent Easement.** Promptly upon completion by Grantee of the Communication Lines, Grantor agrees to convey, by separate easement agreement, a perpetual, non-exclusive, easement agreement in the form attached hereto and incorporated herein as Exhibit "C" (the "**Permanent Easement**"); provided, however, that Grantee shall provide to Grantor, at Grantee's sole cost and expense, an as-built survey (the "**Survey**") detailing the centerline alignment of the Communication Lines which Survey shall be signed and sealed by a surveyor licensed by the State of Florida, shall comply with the minimum detail survey requirements established under Florida law, and shall verify that the Communication Lines placed by way of this Temporary Easement Agreement lie within the Easement Area (if applicable). The legal description for the Permanent Easement shall be based upon the Survey and shall not exceed five (5) feet in width. The Permanent Easement shall be recorded in the public records of Orange County, Florida.

4. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

5. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Communication Lines to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and

obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Communication Lines are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Communication Lines. If any or all of the Easement Area or the Communication Lines are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Communication Lines, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Communication Lines, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by

Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Communication Lines;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees, and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by

Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary

Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

11. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

Permittee shall cooperate with RCID in the defense of any such claims, demands or action, including, without limitation, the employment, at the sole expense of Permittee, of legal counsel satisfactory to RCID. Permittee shall not raise as a defense to its obligation to indemnify any comparative or contributory negligence of any of the Indemnitees, it being understood and agreed that no such comparative or contributory negligence shall relieve Permittee from its liability to so indemnify, nor entitle Permittee to any contribution, either directly or indirectly.

 - i) From or as a result of the presence of the Work and the associated facilities, or the materials and/or products utilized therein, including removal of same;
 - ii) Out of any act, action, negligence, omission, or commission by Permittee, its officers, agents, employees, contractors or subcontractors; or

NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT

THIS NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT ("Permanent Easement Agreement") is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 ("**Grantor**") and _____, a _____, whose mailing address is _____ ("**Grantee**").

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) _____ (the "_____"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** The above recitations are true and correct and are incorporated herein by reference.
2. **Grant and Use of Easement.** Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and

other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to

accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____;

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and

restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "**Indemnitees**") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time, in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Permanent Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Permanent Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Permanent Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

10. **No Warranty: Entire Agreement.** Grantor makes no representations, statements, warranties or agreements to Grantee in connection with this Permanent Easement Agreement or the Easement Area, other than as may be set forth herein. This Permanent Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Permanent Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto, in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Permanent Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove

defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's _____, arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

W I T N E S S E T H:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the "Property"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "Easement Area"), for the purpose of: (i) construction and installation of underground utility gas lines (the "Facilities"); and, in accordance with the corridor utilization permit application, a copy of which is attached hereto as Exhibit "B"; in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "permitted use"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement and, upon termination of this Temporary Easement Agreement, to grant a permanent easement on, over, under and across the portions of the Easement Area where the Facilities are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement**. Grantor grants to Grantee a non-exclusive temporary easement (this "Easement") on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on the date (the "Termination Date") which is the earlier of (i) the date that Grantor and Grantee execute a permanent easement agreement for the Facilities in accordance with Section 3 hereof, or (ii) **October 31, 2020**. This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Permanent Easement.** Promptly upon completion by Grantee of the Facilities, Grantor agrees to convey, by separate easement agreement, a perpetual, non-exclusive, easement agreement in the form attached hereto and incorporated herein as Exhibit "C" (the "**Permanent Easement**"); provided, however, that Grantee shall provide to Grantor, at Grantee's sole cost and expense, an as-built survey (the "**Survey**") detailing the centerline alignment of the Facilities which Survey shall be signed and sealed by a surveyor licensed by the State of Florida, shall comply with the minimum detail survey requirements established under Florida law, and shall verify that the Facilities placed by way of this Temporary Easement Agreement lie within the Temporary Easement Area depicted on Exhibit A. The legal description for the Permanent Easement shall be based upon the Survey and shall not exceed five (5) feet in width. The Permanent Easement shall be recorded in the public records of Orange County, Florida.

4. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

5. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Facilities to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the

designated location where the Facilities are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Facilities. If any or all of the Easement Area or the Facilities are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Facilities, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Facilities, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Facilities;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a

safe, good and workmanlike manner; remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and

the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

11. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or

agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT

THIS NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT ("Permanent Easement Agreement") is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 ("**Grantor**") and _____, a _____, whose mailing address is _____ ("**Grantee**").

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) _____ (the "**_____**"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. The above recitations are true and correct and are incorporated herein by reference.
2. **Grant and Use of Easement**. Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and other means of vehicular and pedestrian

access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements: landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the

release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____;

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on

the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "**Indemnitees**") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time, in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Permanent Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Permanent Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Permanent Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

10. **No Warranty: Entire Agreement.** Grantor makes no representations, statements, warranties or agreements to Grantee in connection with this Permanent Easement Agreement or the Easement Area, other than as may be set forth herein. This Permanent Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Permanent Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto, in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Permanent Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's _____, arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT

THIS NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT (“**Temporary Easement Agreement**”) is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 (“**Grantor**”), and **PEOPLES GAS SYSTEM**, a division of Tampa Electric Company, a Florida corporation, whose mailing address is Post Office Box 2562, Tampa, Florida 33601 (“**Grantee**”).

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “**Property**”); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “**Easement Area**”), for the purpose of: (i) removal of underground utility gas lines and appurtenant facilities (the “**Facilities**”); and, in accordance with the right of way utilization permit application, a copy of which is attached hereto as Exhibit “B”; in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the “**permitted use**”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement on, over, under and across the portions of the Easement Area where the Facilities are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement**. Grantor grants to Grantee a non-exclusive temporary easement (this “**Easement**”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on **January 31, 2021** (the “**Termination Date**”). This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee’s access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Limitation of Rights**. This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent

whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Facilities to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Facilities are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Facilities. If any or all of the Easement Area or the Facilities are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Facilities, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. Covenants of Grantee. Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Facilities, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Facilities;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area: Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto, Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

10. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT

THIS NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT (“**Temporary Easement Agreement**”) is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 (“**Grantor**”), and **PEOPLE GAS SYSTEM**, a division of Tampa Electric Company, a Florida corporation, whose mailing address is Post Office Box 2562, Tampa, Florida 33601 (“**Grantee**”).

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “**Property**”); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “**Easement Area**”), for the purpose of: (i) construction and installation of underground utility gas lines (the “**Facilities**”); and, in accordance with the corridor utilization permit application, a copy of which is attached hereto as Exhibit “B”; in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the “**permitted use**”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement and, upon termination of this Temporary Easement Agreement, to grant a permanent easement on, over, under and across the portions of the Easement Area where the Facilities are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement.** Grantor grants to Grantee a non-exclusive temporary easement (this “**Easement**”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on the date (the “**Termination Date**”) which is the earlier of (i) the date that Grantor and Grantee execute a permanent easement agreement for the Facilities in accordance with Section 3 hereof, or (ii) **March 31, 2021**. This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Permanent Easement.** Promptly upon completion by Grantee of the Facilities, Grantor agrees to convey, by separate easement agreement, a perpetual, non-exclusive, easement agreement in the form attached hereto and incorporated herein as Exhibit "C" (the "**Permanent Easement**"); provided, however, that Grantee shall provide to Grantor, at Grantee's sole cost and expense, an as-built survey (the "**Survey**") detailing the centerline alignment of the Facilities which Survey shall be signed and sealed by a surveyor licensed by the State of Florida, shall comply with the minimum detail survey requirements established under Florida law, and shall verify that the Facilities placed by way of this Temporary Easement Agreement lie within the Easement Area (if applicable). The legal description for the Permanent Easement shall be based upon the Survey and shall not exceed ten (10) feet in width. The Permanent Easement shall be recorded in the public records of Orange County, Florida.

4. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

5. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Facilities to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the

designated location where the Facilities are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Facilities. If any or all of the Easement Area or the Facilities are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Facilities, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "**Laws**"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Facilities, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Facilities;

h) after completion of any repair or replacement work with respect to the permitted use of the

Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the

date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or

conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT

THIS NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT ("Permanent Easement Agreement") is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 ("**Grantor**") and _____, a _____, whose mailing address is _____ ("**Grantee**").

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) _____ (the "_____"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. The above recitations are true and correct and are incorporated herein by reference.

2. **Grant and Use of Easement**. Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and

other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement

amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____;

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time, in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Permanent Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Permanent Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Permanent Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

10. **No Warranty: Entire Agreement.** Grantor makes no representations, statements, warranties or agreements to Grantee in connection with this Permanent Easement Agreement or the Easement Area, other than as

may be set forth herein. This Permanent Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Permanent Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto, in the same manner as executed herein. Description of Permanent Easement Area

NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT

THIS NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT (“**Temporary Easement Agreement**”) is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 (“**Grantor**”), and **SMART CITY SOLUTIONS II, LLC** a Florida limited liability company, whose mailing address is Post Office Box 22856, Lake Buena Vista, FL 32830-2856 (“**Grantee**”).

W I T N E S S E T H:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “**Property**”); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “**Easement Area**”), for the purpose of: (i) constructing, and installing underground communication lines, conduits, and appurtenant underground facilities (the “**Communication Lines**”); and, in accordance with the corridor utilization permit application, a copy of which is attached hereto as Exhibit “B”; in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the “**permitted use**”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement and, upon termination of this Temporary Easement Agreement, to grant a permanent easement on, over, under and across the portions of the Easement Area where the Communication Lines are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement.** Grantor grants to Grantee a non-exclusive temporary easement (this “**Easement**”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on the date (the “**Termination Date**”) which is the earlier of (i) the date that Grantor and Grantee execute a permanent easement agreement for the Communication Lines in accordance with Section 3 hereof, or (ii) **March 31, 2021**. This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Permanent Easement. Promptly upon completion by Grantee of the Communication Lines, Grantor agrees to convey, by separate easement agreement, a perpetual, non-exclusive, easement agreement in the form attached hereto and incorporated herein as Exhibit "C" (the "**Permanent Easement**"); provided, however, that Grantee shall provide to Grantor, at Grantee's sole cost and expense, an as-built survey (the "**Survey**") detailing the centerline alignment of the Communication Lines which Survey shall be signed and sealed by a surveyor licensed by the State of Florida, shall comply with the minimum detail survey requirements established under Florida law, and shall verify that the Communication Lines placed by way of this Temporary Easement Agreement lie within the Easement Area (if applicable). The legal description for the Permanent Easement shall be based upon the Survey and shall not exceed five (5) feet in width. The Permanent Easement shall be recorded in the public records of Orange County, Florida.

4. Limitation of Rights. This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

5. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Communication Lines to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and

obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Communication Lines are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Communication Lines. If any or all of the Easement Area or the Communication Lines are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Communication Lines, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. Covenants of Grantee. Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "**Laws**"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Communication Lines, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by

Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Communication Lines;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "**Indemnitees**") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by

Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Smart City at Flagler Ave and Hartzog Rd_sd

Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

11. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

Attn: Planning & Engineering

NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT

THIS NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT ("Permanent Easement Agreement") is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 ("**Grantor**") and _____, a _____, whose mailing address is _____ ("**Grantee**").

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) _____ (the "_____"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** The above recitations are true and correct and are incorporated herein by reference.
2. **Grant and Use of Easement.** Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and

other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to

accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____;

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and

restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "**Indemnitees**") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT

THIS NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT (“**Temporary Easement Agreement**”) is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 (“**Grantor**”), and **SMART CITY SOLUTIONS II, LLC** a Florida limited liability company, whose mailing address is Post Office Box 22856, Lake Buena Vista, FL 32830-2856 (“**Grantee**”).

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “**Property**”); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “**Easement Area**”), for the purpose of: (i) removing overhead communication lines, constructing, and installing underground communication lines, conduits, and appurtenant underground facilities (the “**Communication Lines**”); and, in accordance with the corridor utilization permit application, a copy of which is attached hereto as Exhibit “B”; in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the “**permitted use**”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement and, upon termination of this Temporary Easement Agreement, to grant a permanent easement on, over, under and across the portions of the Easement Area where the Communication Lines are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement**. Grantor grants to Grantee a non-exclusive temporary easement (this “**Easement**”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on the date (the “**Termination Date**”) which is the earlier of (i) the date that Grantor and Grantee execute a permanent easement agreement for the Communication Lines in accordance with Section 3 hereof, or (ii) **February 28, 2021**. This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Permanent Easement.** Promptly upon completion by Grantee of the Communication Lines, Grantor agrees to convey, by separate easement agreement, a perpetual, non-exclusive, easement agreement in the form attached hereto and incorporated herein as Exhibit "C" (the "**Permanent Easement**"); provided, however, that Grantee shall provide to Grantor, at Grantee's sole cost and expense, an as-built survey (the "**Survey**") detailing the centerline alignment of the Communication Lines which Survey shall be signed and sealed by a surveyor licensed by the State of Florida, shall comply with the minimum detail survey requirements established under Florida law, and shall verify that the Communication Lines placed by way of this Temporary Easement Agreement lie within the Easement Area (if applicable). The legal description for the Permanent Easement shall be based upon the Survey and shall not exceed five (5) feet in width. The Permanent Easement shall be recorded in the public records of Orange County, Florida.

4. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

5. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Communication Lines to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and

obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Communication Lines are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Communication Lines. If any or all of the Easement Area or the Communication Lines are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Communication Lines, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Communication Lines, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by

Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Communication Lines;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by

Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Smart City at S. Hartzog Rd_sd

Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

11. No Warranty; Entire Agreement. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT

THIS NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT ("Permanent Easement Agreement") is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 ("**Grantor**") and _____, a _____, whose mailing address is _____ ("**Grantee**").

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) _____ (the "_____"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** The above recitations are true and correct and are incorporated herein by reference.

2. **Grant and Use of Easement.** Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and

other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. Limitation of Rights. This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to

accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "**Hazardous Materials**") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("**Hazardous Materials Activities**"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____;

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and

restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "**Indemnitees**") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "**Additional Insured**"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time, in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Permanent Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Permanent Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Permanent Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

Description of Permanent Easement Area

NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT

THIS NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT (“Temporary Easement Agreement”) is made as of the Effective Date (as hereinafter defined) by and between WALT DISNEY PARKS AND RESORTS U.S., INC., a Florida corporation, whose mailing address is Post Office Box 10000, Lake Buena Vista, Florida 32830 (“Grantor”), and the REEDY CREEK IMPROVEMENT DISTRICT, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 (“Grantee”).

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “Property”); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “Easement Area”), for the purpose of: (i) installing a maintenance of traffic plan to allow construction to modify asphalt and striping (the “Work”); and, in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the “permitted use”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement on, over, under and across the portions of the Easement Area where the Work is located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement.** Grantor grants to Grantee a non-exclusive temporary easement (this “Easement”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on September 30, 2021 (the “Termination Date”). This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee’s access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever

in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

4. Grantor's Reservation of Rights. Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Work to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantor's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Work is to be relocated. Grantee (at Grantor's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Work. If any or all of the Easement Area or the Work is to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantor's sole cost and expense) promptly remove the Work, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. Covenants of Grantee. Grantee, for itself, its permitted successors, assigns, grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Work, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, invitees, successors, or assigns. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Work;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall, to the extent allowed by law, hereby release, indemnify, defend, and hold harmless Grantor from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Grantor in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its successors, assigns, employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's successors, assigns, employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by Grantee, its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's successors, assigns, employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its successors, assigns, employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Grantor in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the parties to this Temporary Easement Agreement. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If Grantor becomes subject to any claim as to which Grantee is obligated to indemnify such Grantor as aforesaid:

i) Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor without any obligation on the part of Grantor to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of Grantor pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's willful misconduct).

8. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement

Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

9. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

10. **Notices.** Any notice or other communication required or permitted hereunder shall be in writing and shall be deemed given and received: (i) on the same day it is personally delivered to the intended recipient at the address set forth below; (ii) upon confirmation of successful transmission (if sent by facsimile transmission) to the intended recipient at the facsimile number set forth below provided that a copy of such notice is contemporaneously sent by one of the other methods of delivery set forth herein (it being understood and agreed, however, that such notice shall be deemed received upon receipt of electronic transmission); (iii) the next business day if sent by reputable overnight courier to the intended recipient at the address set forth below; or (iv) three business days after it is deposited in the United States registered or certified mail, postage prepaid, return receipt requested, to the address set forth below:

EXHIBIT "A"

NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT

THIS NON-EXCLUSIVE TEMPORARY EASEMENT AGREEMENT (“**Temporary Easement Agreement**”) is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 (“**Grantor**”), and **SPECTRUM SUNSHINE STATE, LLC**, a Delaware limited liability company, whose mailing address is 12405 Powerscourt Drive, St. Louis, Missouri 63131-3674 (“**Grantee**”).

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in Orange County, Florida (the “**Property**”); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit “A” attached hereto and made a part hereof (the “**Easement Area**”), for the purpose of: (i) constructing and installing underground communication lines, conduits, and appurtenant underground facilities (the “**Communication Lines**”); and, in accordance with the corridor utilization permit application, a copy of which is attached hereto as Exhibit “B”; in connection therewith (ii) access to and from the Easement Area, over and through adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the “**permitted use**”); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive temporary easement and, upon termination of this Temporary Easement Agreement, to grant a permanent easement on, over, under and across the portions of the Easement Area where the Communication Lines are located, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations**. Each party represents to the other party hereto that the above recitations, as they relate to it, are true and correct.

2. **Grant and Use of Easement**. Grantor grants to Grantee a non-exclusive temporary easement (this “**Easement**”) on, over, under and across the Easement Area. This Easement is subject and subordinate to the terms, conditions, restrictions, and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement is also subject and subordinate to the rights of Orange County, Florida and to the rights, if any, of any other governmental or quasi-governmental authorities to locate, construct, maintain, improve and replace roadways and roadway related improvements and utilities over, through, upon and/or across the Easement Area. This Easement shall be used by Grantee (and its employees, contractors and agents) for the permitted use of the Easement Area and for no other purpose whatsoever. Grantee’s rights in connection therewith shall include the right to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to identify specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property. Thereafter, only such routes and other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. This Easement shall terminate on the date (the “**Termination Date**”) which is the earlier of (i) the date that Grantor and Grantee execute a permanent easement agreement for the Communication Lines in accordance with Section 3 hereof, or (ii) **April 30, 2021**. This Temporary Easement Agreement and this Easement granted hereby shall automatically terminate and shall be of no further force and effect on the Termination Date. This Temporary Easement Agreement shall not be recorded in the public records, and, notwithstanding the foregoing, this Temporary Easement Agreement shall automatically terminate if it is recorded in the public records.

Notwithstanding any provision in this Temporary Easement Agreement to the contrary, Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across the Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Permanent Easement.** Promptly upon completion by Grantee of the Communication Lines, Grantor agrees to convey, by separate easement agreement, a perpetual, non-exclusive, easement agreement in the form attached hereto and incorporated herein as Exhibit "C" (the "Permanent Easement"); provided, however, that Grantee shall provide to Grantor, at Grantee's sole cost and expense, an as-built survey (the "Survey") detailing the centerline alignment of the Communication Lines which Survey shall be signed and sealed by a surveyor licensed by the State of Florida, shall comply with the minimum detail survey requirements established under Florida law, and shall verify that the Communication Lines placed by way of this Temporary Easement Agreement lie within the Easement Area (if applicable). The legal description for the Permanent Easement shall be based upon the Survey and shall not exceed five (5) feet in width. The Permanent Easement shall be recorded in the public records of Orange County, Florida.

4. **Limitation of Rights.** This Temporary Easement Agreement creates a non-exclusive temporary Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 5(d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor, which may be withheld in Grantor's sole and absolute discretion.

5. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided, such right does not materially and adversely interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct (or allows others to construct) improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) to enter upon the Easement Area from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property. Grantor shall cooperate with Grantee in minimizing any unreasonable interference with Grantee's use of the Easement Area;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the Communication Lines to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Temporary Easement Agreement to cover the new easement area(s), in which event, this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and

obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment to this Temporary Easement Agreement amending the description of the Easement Area to reflect the designated location where the Communication Lines are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Temporary Easement Agreement and the relocation, alteration or modification of the Easement Area or the Communication Lines. If any or all of the Easement Area or the Communication Lines are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the Communication Lines, restore the Easement Area to the same condition existing at the time of the execution of this Temporary Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

6. **Covenants of Grantee.** Grantee, for itself, its grantees, and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property, so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render the Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the Communication Lines, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by

Grantee, its employees, agents or contractors, or in any way resulting from Grantee's construction, repair, replacement, maintenance, or operation of the Communication Lines;

h) after completion of any repair or replacement work with respect to the permitted use of the Easement Area (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantee shall have the obligation to remove or otherwise cancel or discharge the same immediately. Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 7, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

7. **Breach by Grantee.** If Grantee breaches any provision in this Temporary Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

8. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "AS IS" and "WHERE IS" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions, and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, representatives, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its employees, contractors, agents, grantees, representatives, and invitees. Grantee (for itself, its employees, contractors, agents, grantees, representatives, and invitees and for those claiming by, through or under any of them) shall hereby release, indemnify, defend, and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, agents, officers, directors, supervisors, servants, contractors, representatives, and employees (collectively, the "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs, and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its employees, contractors, agents, grantees, representatives, and invitees, and all of their officers, directors, employees, representatives and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, contractors, agents, grantees, representatives, and invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted, or suffered by Grantee (its employees, contractors, agents, grantees and invitees and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its employees, contractors, agents, grantees, representatives, and invitees); (v) Grantee's failure to perform any obligations imposed hereunder, including, without limitation, the failure of any of Grantee's employees, contractors, agents, grantees, representatives, and invitees to so perform; (vi) the use, operation, maintenance, or repair of the Easement Area by

Grantee, its employees, contractors, agents, grantees, representatives, and invitees; (vii) liens by third parties arising out of Grantee's acts or omissions, or out of the acts or omissions of Grantee's employees, contractors, agents, grantees, representatives, and invitees; or (viii) the failure of Grantee, its employees, contractors, agents, grantees, representatives, and invitees, to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Temporary Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Temporary Easement Agreement as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnitees as aforesaid:

i) Such Indemnitee or Indemnitees and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnitees copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnitees of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnitees, without any obligation on the part of Grantor or such Indemnitee or Indemnitees to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnitees pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnitees' willful misconduct).

9. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

10. **Assignment.** Grantor may, at any time and in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Temporary

Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Temporary Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Temporary Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

11. **No Warranty; Entire Agreement.** Grantor makes no representations, statements, warranties, or agreements to Grantee in connection with this Temporary Easement Agreement or the Easement Area, other than as may be set forth herein. This Temporary Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Temporary Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Temporary Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's property arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

12. **Notices.** Any notice or other communication required or permitted hereunder shall be in writing and shall be deemed given and received: (i) on the same day it is personally delivered to the intended recipient at the address set forth below; (ii) upon confirmation of successful transmission (if sent by facsimile transmission) to the intended recipient at the facsimile number set forth below provided that a copy of such notice is contemporaneously sent by one of the other methods of delivery set forth herein (it being understood and agreed, however, that such notice shall be deemed received upon receipt of electronic transmission); (iii) the next business day if sent by reputable overnight courier to the intended recipient at the address set forth below; or (iv) three business days after it is deposited in the United States registered or certified mail, postage prepaid, return receipt requested, to the address set forth below:

16. Permittee, for itself, its successors, assigns, grantees, invitees, and customers, and for those claiming by, through or under any of them, hereby releases, indemnifies, saves, defends and forever holds harmless RCID and their Board of Supervisors, officers, directors, employees, representatives, agents, guests and invitees (collectively, the "Indemnitees") from any and all claims or demands, liabilities, losses, suits, actions, judgments, liens, damages, penalties, fines, interest, costs and expenses (whether to person or property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith through all appeals, arising out of or incurred in connection with: (i) any activity, work, act, accident, injury or damage committed, omitted, permitted or suffered in respect of the work to be performed by Permittee or its successors, assigns, grantees, invitees, customers or any of their respective officers, directors, employees, contractors, representatives or agents, or caused, in whole or in part, by the use of the right-of way; (ii) any accident, injury or damage which shall happen or be claimed to have happened in any manner connected with Permittee's use of the right-of-way (iii) actual or alleged negligence or willful misconduct of Permittee, its successors, assigns, grantees, invitees, customers, agents, employees, representatives or contractors; or (iv) Permittee's breach of this Agreement or failure to perform any obligations imposed hereunder; (v) liens filed by third parties; or (vi) Permittee's failure to abide by any applicable Laws as they now exist and those which may be enacted subsequent to the date of this Agreement; and as to all of the foregoing clauses (i) through (v) whether or not such losses, injuries, damage, destruction or theft are sustained by Permittee or RCID. Permittee shall not raise as a defense to its obligation to indemnify any comparative or contributory negligence of any of the Indemnitees, it being understood and agreed that no such comparative or contributory negligence shall relieve Permittee from its liability to so indemnify, nor entitle Permittee to any contribution, either directly or indirectly.

 - i) From or as a result of the presence of the Work and the associated facilities, or the materials and/or products utilized therein, including removal of same;
 - ii) Out of any act, action, negligence, omission, or commission by Permittee, its officers, agents, employees, contractors or subcontractors; or
 - iii) If applicable, as a result of placing the facilities installed by Permittee out of service, including, but not limited to, causes arising out of any future removal of the facilities or the Work by Permittee or any entity other than Permittee, whether or not such entity is acting at the instruction of Permittee or RCID.

NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT

THIS NON-EXCLUSIVE PERMANENT EASEMENT AGREEMENT ("Permanent Easement Agreement") is made as of the Effective Date (as hereinafter defined) by and between **REEDY CREEK IMPROVEMENT DISTRICT**, a public corporation and public body corporate and politic of the State of Florida, whose mailing address is Post Office Box 10170, Lake Buena Vista, Florida 32830-0170 ("**Grantor**") and _____, a _____, whose mailing address is _____ ("**Grantee**").

WITNESSETH:

WHEREAS, Grantor is the fee owner of certain real property located in _____ County, Florida (the "**Property**"); and

WHEREAS, Grantee desires to obtain a non-exclusive easement on, over, under and across the portion or portions of the Property more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Easement Area**"), for the purpose of: (i) _____ (the "_____"); and, in connection therewith (ii) access to and from the Easement Area, over and across adjacent public roads, alleys, sidewalks and other designated portions of the Property as Grantor may designate from time to time (as hereinafter provided) (items (i) and (ii) hereinabove are sometimes referred to as the "**permitted use**"); and

WHEREAS, Grantor agrees to grant to Grantee this non-exclusive permanent easement subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreement of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitations.** The above recitations are true and correct and are incorporated herein by reference.
2. **Grant and Use of Easement.** Grantor grants to Grantee, a non-exclusive easement in perpetuity, or such earlier date as the use thereof as set forth herein is abandoned (this "**Easement**") on, over, under and across the Easement Area. This Easement is subject to the terms, conditions, restrictions and limitations set forth herein and in other recorded and unrecorded easements, reservations, rights-of-way, licenses, restrictions, conditions, and limitations affecting the Easement Area and the Property. This Easement shall be used by Grantee (and its employees, contractors, and agents) for the permitted use of the Easement Area, together with the right of vehicular and pedestrian ingress and egress in connection therewith by Grantee and the aforesaid parties, to and from the Easement Area over and across public roads, alleys, sidewalks and such other portions of the Property as Grantor may designate from time to time (as hereinafter provided) and for no other purpose whatsoever. Grantee's rights in connection therewith shall include the right, subject to the prior written approval of Grantor, to maintain temporary construction facilities on the Easement Area. Grantor reserves the right to specify which portions of the Easement Area shall be used by Grantee for all or any portion of the _____ (and future facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion) and any temporary construction facilities on the Easement Area, and to designate (from time to time) specific routes and other means of vehicular and pedestrian ingress and egress (in addition to existing public roads, alleys and sidewalks) to and from the Easement Area across the balance of the Property and Grantor's adjacent property. Thereafter, only such routes and

other means of vehicular and pedestrian access designated by Grantor shall be used by Grantee. Grantor accepts the location of the _____ as set forth in the permit issued by Grantor for the construction of the improvements, subject to the provisions of Paragraph 4.d), below.

Notwithstanding any provision in this Permanent Easement Agreement to the contrary, Grantee shall be required to obtain a Right-of-Way Permit from Grantor prior to initiating any work within the Easement Area or accessing any Easement Area. In the case of an emergency, oral notification to the Grantor describing the nature of the emergency and the work to be performed shall be acceptable prior to initiation of work and shall be followed within 72 hours with a request for a Right-of-Way Permit. In addition, Grantee shall be required to comply with all governmental permitting requirements, as now or hereafter may be enacted or amended, and shall be required to obtain all required permits prior to initiation of work within the Easement Area. Grantee acknowledges that Grantee's access to the Easement Area and/or for ingress and egress across Grantor's Property is subject at all times to the strict compliance by Grantee, its employees, contractors, subcontractors, representatives, and agents, with all security provisions, rules and regulations of Grantor which may be in effect from time to time.

3. **Limitation of Rights.** This Permanent Easement Agreement creates a non-exclusive Easement, and Grantee does not and shall not (at any time) claim any interest or estate of any kind or extent whatsoever in the Easement Area by virtue of this Easement or Grantee's use of the Easement Area pursuant hereto. Furthermore, except as provided in and subject to Paragraph 4.d), hereinbelow, no new facilities shall be constructed on the Easement Area without the prior written consent of Grantor. Replacement of the _____ with facilities in the same location and of the same type, size, number and capacity shall not be deemed construction of new facilities.

4. **Grantor's Reservation of Rights.** Subject to the rights created herein, Grantor expressly reserves (to itself, its successors and assigns) the right to use, or to grant to others the right to use by virtue of additional licenses, rights-of-way, reservations or easements, any and all portions of the area upon, above, or under the Easement Area and the Property (in Grantor's sole discretion) for any purpose whatsoever not inconsistent with the rights herein granted, including, but not limited to, the right of ingress and egress over and across the Easement Area onto any adjacent or contiguous property; provided such right does not unreasonably interfere with Grantee's permitted use of the Easement Area pursuant to the terms hereof. Grantor also reserves the right, but not the obligation, to do all or any of the following without Grantee's consent:

a) to construct improvements; landscape; provide for drainage; construct paved roads, bridges, tunnels, driveways, parking areas, or any other improvements; and install utility lines, equipment and cables upon, above or under the Easement Area, so long as such use does not materially and adversely interfere with the purpose for which this Easement is granted;

b) after reasonable notice (except in circumstances of emergency), to temporarily interrupt Grantee's use of the Easement Area or the _____ from time to time, in order to repair, maintain, repave, construct on, or complete other activities on the Easement Area or the Property;

c) to enter upon the Easement Area at any time to inspect the operation, sanitation, safety, maintenance, and use thereof, and to perform any repair or maintenance of the Easement Area, and to enter upon the Easement Area at any time to remedy any condition thereof in the event of an emergency. Grantor shall not assume any responsibility for the performance of any of Grantee's obligations hereunder, or any liability arising from the improper performance thereof;

d) to relocate, alter or modify, or cause Grantee to relocate, alter or modify, the location of all or any portion of the _____ to another location either within or outside of the Easement Area, from time to time, in Grantor's sole discretion, at Grantee's sole cost and expense. In the event of any such relocation, alteration or modification, Grantee shall, at Grantor's option, either: (i) execute a release (in recordable form) of the rights granted hereunder with respect to the portion of the Easement Area to be vacated and enter into a new agreement in substantially the same form as this Permanent Easement Agreement (in recordable form) to cover the new easement area(s), in which event this Easement shall be considered canceled as to the portion vacated by such relocation and all rights and obligations of Grantee contained herein with respect to the Easement Area shall be described in such subsequent agreement; or (ii) execute an amendment (in recordable form) to this Permanent Easement Agreement

amending the description of the Easement Area to reflect the designated location where the _____ are to be relocated. Grantee (at Grantee's cost) shall cooperate with Grantor in taking all steps necessary or appropriate to accomplish the release of designated portions of the Easement Area from the effect of this Permanent Easement Agreement and the relocation, alteration or modification of the Easement Area or the _____, in whole or in part. If any or all of the Easement Area or the _____ are to be relocated, altered, or modified, Grantee shall, upon Grantor's request (and at Grantee's sole cost and expense) promptly remove the _____ and restore the Easement Area to the same condition existing at the time of the execution of this Permanent Easement Agreement, and commence use of the new location designated by Grantor; and

e) plat, replat or dedicate the Easement Area to the public.

5. **Covenants of Grantee.** Grantee, for itself, its grantees and invitees, covenants and agrees it shall:

a) not interfere with or prevent the following: (i) the normal development, use and maintenance by Grantor of the Easement Area, the Property, or Grantor's adjacent properties, if any; (ii) the normal use of any portion of the Easement Area by the general public, if any portion of the Easement Area has been or is hereafter dedicated to the general public; and (iii) any development, construction, improvement, or other activity or use by Grantor now or in the future existing on or about the Easement Area and the Property so long as such use does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

b) not interfere with or disturb any threatened or endangered plant or animal life on or under the Easement Area or the Property;

c) not interfere with any existing license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area;

d) not interfere with any hereafter granted license, easement, reservation, or right-of-way upon, above, over, through, under, or across the Easement Area so long as such license, easement, reservation, or right-of-way does not materially and adversely interfere with Grantee's permitted use of the Easement Area;

e) comply at all times and in all respects with all present and future local, municipal, county, state, and federal environmental and all other applicable laws, statutes, governmental constitutions, ordinances, codes, rules, regulations, resolutions, requirements, standards, applications, and directives, as well as all decisions, judgments, writs, injunctions, orders, decrees, or demands of courts, administrative bodies and other authorities construing any of the foregoing (collectively, the "Laws"), and Grantee shall obtain, maintain and comply with all applicable permits in connection with Grantee's use of the Easement Area. Grantee shall not, by any act or omission, render Grantor liable for any violation thereof. Grantee shall promptly deliver to Grantor true and accurate copies of all applicable permits upon issuance and shall pay all costs and expenses incurred with respect to compliance with this subparagraph;

f) operate, maintain, replace, and repair the _____, at its sole cost and expense, and in compliance with all applicable Laws and permits, in an expeditious and good and workmanlike manner, and maintain the appearance of all above-ground facilities, if any, if permitted hereunder by Grantor (and of the Easement Area, if requested by Grantor) in reasonably the same condition as existed upon completion of their initial installation;

g) not cause or give permission for any hazardous waste, toxic substances or related materials as defined by any Laws (collectively, "Hazardous Materials") to be used, placed, misused, or disposed of upon, above or under, or transported to or from the Easement Area or the Property ("Hazardous Materials Activities"). Grantor shall not be liable to Grantee for any Hazardous Materials Activities caused by Grantee, its employees, agents, contractors, or invitees. Grantee shall be liable to Grantor for any and all Hazardous Materials Activities and any and all hazardous spills, fires, or other environmental hazard on the Easement Area or the Property caused by Grantee, its employees, agents or contractors, or in any way resulting from Grantee's repair, replacement, maintenance, or operation of the _____;

h) after completion of any repair or replacement work with respect to the _____ (or any construction or installation work for relocated facilities or new facilities, if any, consented to by Grantor, which consent Grantor may grant or withhold in its sole discretion), at its sole cost and expense and in a safe, good and workmanlike manner, remove any temporary improvements and equipment placed on the Easement Area, and restore both the ground surface of the Easement Area and any grass, irrigation lines and equipment, and landscaping in or on the Easement Area, to the original contour, grade and condition which existed immediately prior to the commencement of any work; and

i) not permit any lien to be filed against the Easement Area or the Property for any labor or materials in connection with work of any character performed or claimed to have been performed on the Easement Area or the Property at the direction or sufferance of Grantee. If any such lien is filed against the Easement Area or the Property, Grantor shall have the right (but not the obligation) to cause such lien to be released. Grantee shall pay on demand all of Grantor's costs in connection therewith, together with interest thereon at the interest rate set forth in Paragraph 6, hereof, accruing from and after the date of such expenditure until Grantor's receipt of full payment therefor.

6. **Breach by Grantee.** If Grantee breaches any provision in this Permanent Easement Agreement and fails to cure any such breach within fifteen (15) days after written notice thereof is given by Grantor, in addition to any other right or remedy available to Grantor at law or in equity, Grantor shall have the right, but not the obligation, to cure any such breach. Grantee agrees to reimburse Grantor for the cost thereof upon demand, together with interest accruing thereon at an annual rate of interest equal to the lesser of: (i) four percent (4%) above the prime rate of interest announced by SunTrust Bank, Central Florida, N.A.; or (ii) the highest rate of interest allowable by law, from and after the date of Grantor's expenditure thereof, until Grantor's receipt of full payment therefor.

7. **Condition of Easement Area; Indemnity.**

a) Grantee acknowledges that it (i) has physically inspected the Easement Area; and (ii) accepts the Easement Area "as is" and "where is" with full knowledge of the condition thereof and subject to all the terms, conditions, restrictions and limitations applicable thereto. Grantee, for and on behalf of itself and its employees, contractors, agents, grantees, and invitees, assumes sole and entire responsibility for any and all loss of life, injury to persons or damage to property (wherever such property may be located) sustained from the activities, operations or use of the Easement Area (or use of the portions of the Property made available for ingress and egress) by Grantee, its grantees, invitees, employees, contractors, and agents. Grantee (for itself, its grantees, invitees, contractors, and agents and for those claiming by, through or under any of them) shall hereby release, indemnify, defend and hold harmless the Reedy Creek Improvement District, its Board of Supervisors, the officers, directors, agents, employees and assigns (collectively, "Indemnitees") from and against all claims, liabilities, suits, judgments, liens, damages, penalties, fines, interest, costs and expenses (including without limitation, those relating to injuries to persons (including, without limitation, loss of life) or for damage, destruction or theft of property), including, without limitation, reasonable attorneys' fees and litigation costs incurred by or asserted against the Indemnitees in connection therewith, that arise from or relate, directly or indirectly, to: (i) operations on, or the use of, the Easement Area or the Property by Grantee (its grantees, invitees, employees, contractors, and agents, and all of their officers, directors, employees, representatives, and agents); (ii) Hazardous Materials Activities, spills or fire caused by Grantee, its employees, agents, contractors, or invitees, on, over, under, through or across the Easement Area or the Property; (iii) any activity, work or act committed, omitted, permitted or suffered by Grantee (its grantees, invitees, employees, contractors, and agents and any of their officers, directors, employees, representatives, and agents) or caused, in whole or in part, on or about the Easement Area or the Property; (iv) the negligent or willful acts or omissions of Grantee (its grantees, invitees, agents, employees, representatives, or contractors); (v) Grantee's failure to perform any obligations imposed hereunder; (vi) Grantee's use, operation, maintenance, or repair of the Easement Area; (vii) liens by third parties arising out of Grantee's acts or omissions; or (viii) Grantee's failure to abide by any applicable Laws existing or which may be enacted subsequent to the date of this Permanent Easement Agreement. Grantee shall cooperate with the Indemnitees in the defense of any such claims or action including, without limitation, the employment, at the sole expense of Grantee, of legal counsel satisfactory to the Indemnitees. Grantee's liability and the indemnity provided herein shall survive the expiration or sooner termination of this Permanent Easement Agreement, as to events which occurred prior to such expiration or termination.

b) If one or more of the Indemnitees become subject to any claim as to which Grantee is obligated to indemnify such Indemnitee or Indemnites as aforesaid:

i) Such Indemnitee or Indemnites and Grantor shall be entitled to approve selection of Grantee's counsel, which approval shall not be unreasonably withheld;

ii) Grantee shall promptly deliver to Grantor and such Indemnitee or Indemnites copies of all documents and pleadings prepared and filed on its behalf, and Grantee shall monitor and advise and inform Grantor and such Indemnitee or Indemnites of the progress and status of all developments in any litigation or proceeding; and

iii) any settlement or other resolution of any litigation or proceeding shall result in the full release, discharge and acquittal of Grantor and such Indemnitee or Indemnites, without any obligation on the part of Grantor or such Indemnitee or Indemnites to take or refrain from any action whatsoever.

c) Grantee shall not raise as a defense to its obligation to indemnify any comparative or contributing negligence of any of these Indemnites pursuant to any such provision, it being agreed that comparative or contributing negligence shall not relieve Grantee from its aforesaid obligation to indemnify, nor entitle Grantee to any contribution (either directly or indirectly) by those indemnified (except in instances of Grantor's or such Indemnitee's or Indemnites' willful misconduct).

8. **Insurance.** Unless otherwise agreed to by Grantor and Grantee, Grantee and Grantee's contractors shall carry (at their own cost and expense), the following insurance:

a) Occurrence basis commercial general liability insurance (including broad form contractual coverage) and automobile liability insurance, each with minimum limits of Five Million Dollars (\$5,000,000.00) combined single limit per occurrence, protecting Grantee from claims for bodily injury (including death) and property damage which may arise from or in connection with the performance of Grantee hereunder or from or out of any act or omission of Grantee and Grantee's agents or contractors and their related, affiliated and subsidiary companies and the officers, directors, agents, and employees of each, which insurance shall name Grantor as additional insured (the "Additional Insured"); and

b) Worker's compensation insurance as required by applicable law (and employer's liability insurance) with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence.

All such insurance required herein shall be with companies licensed to issue insurance in the State of Florida and which have a Best Guide rating of B+ VII or better, shall include a waiver of subrogation, be primary and non contributory and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days prior written notice thereof is furnished to Grantor. Upon Grantor's written request, certificates of insurance, together with copies of the binding endorsements identifying the Additional Insured, shall be furnished to Grantor. In the event of any cancellation or reduction of coverage, Grantee shall obtain substitute coverage as required hereunder, without any lapse of coverage to Grantor.

9. **Assignment.** Grantor may, at any time, in its sole discretion, assign, transfer or convey its rights hereunder. Upon any such assignment, transfer or conveyance, the liability of Grantor under this Permanent Easement Agreement shall automatically terminate, and Grantor's assignee, transferee, or grantee (as the case may be) shall be deemed to have assumed and be bound by the obligations of Grantor hereunder. This Permanent Easement Agreement involves the granting of a personal right by Grantor to Grantee and, therefore, neither this Permanent Easement Agreement nor any interest herein or rights hereunder may be assigned, transferred or conveyed in whole or in part by Grantee without the prior written consent of Grantor, which consent may be withheld or approved in Grantor's sole discretion.

10. **No Warranty: Entire Agreement.** Grantor makes no representations, statements, warranties or agreements to Grantee in connection with this Permanent Easement Agreement or the Easement Area, other than as

This Permanent Easement Agreement embodies the entire understanding of the parties hereto, and supersedes all prior discussions and agreements between the parties hereto, and there are no further or other agreements or understanding, written or oral, in effect between the parties relating to the subject matter hereof. This Permanent Easement Agreement shall not be modified or amended in any respect except by a written agreement executed by or on behalf of the parties hereto, in the same manner as executed herein. Notwithstanding anything to the contrary set forth in this Permanent Easement Agreement, Grantee acknowledges and agrees that Grantee's use of the Easement Area is at its own risk and neither Grantor nor the Indemnitees (as hereinabove defined) shall have any liability or obligation for or with respect to any loss or damage to any of Grantee's _____, arising out of or related to Grantor's or the Indemnitees' use of or activities within the Easement Area.

WHEREAS, the Series 2021 Bonds will be secured by a first lien on the Net Revenues, as defined in the Original Indenture, on a parity with the District’s Outstanding Utilities Revenue Bonds heretofore issued under the Original Indenture (the “Prior Bonds”) and any additional Bonds and Parity Obligations (as defined in the Original Indenture) issued or to be issued under Section 7.10 of the Original Indenture; and

WHEREAS, STI Institutional & Government, Inc. (the “Series 2021-1 Purchaser”) and Truist Bank (the “Series 2021-2 Purchaser” and, together with the Series 2021-1 Purchaser, the “Purchasers”) have each submitted an offer to the Board to purchase the Series 2021-1 Bonds and the Series 2021-2 Bonds, respectively, pursuant to separate Bond Purchase Agreements, in the forms attached hereto as **Exhibit C** (collectively, the “Purchase Agreements”); and

WHEREAS, the Board wishes to approve the forms and content of and authorize the execution and delivery of the Purchase Agreements; and

WHEREAS, the Board wishes to approve the form and content of and authorize the execution and delivery of the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, providing, respectively, for the issuance of the Series 2021-1 Bonds and the Series 2021-2 Bonds; and

WHEREAS, the Board desires to take certain other actions with respect to, and to make other authorizations related to, the issuance of the Series 2021 Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE REEDY CREEK IMPROVEMENT DISTRICT, that:

Section 1. Authority. This Resolution is adopted pursuant to Chapter 67-764, Laws of Florida, Special Acts of 1967 and other applicable provisions of law (collectively, the “Act”).

Section 2. Definitions. Unless the context otherwise requires, all terms used herein in capitalized form shall have the same meanings ascribed to such terms in the Indenture.

Section 3. Findings. It is hereby ascertained, determined and declared that:

(A) The District is empowered under the Act to own, operate and maintain utilities systems including, without limitation, water, wastewater, gas, electric, chilled water, hot water, and solid waste disposal utilities systems for the benefit of the District and to derive Gross Revenues therefrom. The District now owns or leases, operates and maintains the System and derives Gross Revenues therefrom.

(B) The District is authorized under the Act to issue bonds and use the proceeds thereof to pay the cost of the Improvements.

(C) It is necessary, advisable, desirable, and in the best interests of the District that the Series 2021 Bonds be authorized and issued (1) in an amount not to exceed \$36,000,000 to finance the cost of the Series 2021-1 Improvements and pay costs of issuance, in the case of the Series 2021-1 Bonds and (2) in an amount not to exceed \$61,000,000 to finance the cost of the Series 2021-2 Improvements and pay costs of issuance, in the case of the Series 2021-2 Bonds.

(D) The cost of the Series 2021-1 Improvements and the Series 2021-2 Improvements includes all items of cost set forth in the definition of “Costs of the Project” in the Indenture.

(E) Except for the pledge of the Net Revenues for the benefit of the Prior Bonds, the Net Revenues of the System are not now pledged to or encumbered by any obligation, other than as contemplated by Resolution No. 625 adopted by the District on the date hereof, secured on a parity with the Series 2021 Bonds, except in accordance with the terms hereof.

(F) The Series 2021 Bonds shall be issued pursuant to the Indenture as *pari passu* additional bonds under Section 7.10 of the Original Indenture and this Resolution shall constitute a “Series Resolution” within the meaning and for the purposes of the Indenture.

(G) The principal of and interest on the Series 2021 Bonds and all of the reserve, sinking fund and other payments provided for in this Resolution, the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture will be paid solely from the Trust Estate, all as provided in the Indenture, and neither the faith and credit nor the taxing power of the District, the State of Florida or any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Series 2021 Bonds.

(H) The Series 2021 Bonds will not be issued until all conditions relating to the issuance of *pari passu* additional bonds under the Original Indenture have been met, including, but not limited to, a certification of the District Comptroller that the amount of Net Revenues, as adjusted pursuant to Section 7.10 of the Original Indenture, received during any twelve (12) consecutive months of the eighteen (18) months immediately preceding the issuance of the Series 2021 Bonds, will be at least equal to one hundred ten percent (110%) of the Maximum Annual Debt Service on the Outstanding Bonds under the Indenture (including for this purpose the Series 2021 Bonds).

(I) It is hereby found and declared that a negotiated sale of the Series 2021 Bonds is in the best interest of the District and is found to be necessary on the basis of the following reasons, as to which specific findings are hereby made:

(i) Due to the complex nature of financing the System, the favorable terms of the proposals of the Purchasers, the volatility of the municipal market, including the market for tax exempt and taxable securities such as the Series 2021 Bonds, the District must be able to enter the market at the most advantageous time, rather than at a specific advertised date, thereby permitting the District to obtain the best possible prices and interest rates with respect to the Series 2021 Bonds and achieve its savings goals, and any lack of flexibility in the sale of the Series 2021 Bonds could be prejudicial to the District; and

(ii) The District will not be adversely affected if the Series 2021 Bonds are not sold in a competitive sale.

(J) The Purchasers will provide the District at the time of execution of the respective Purchase Agreements with disclosure statements regarding the Series 2021-1 Bonds and Series 2021-2 Bonds, as applicable, containing the information required by Section 218.385(6), Florida Statutes.

(K) It is hereby ascertained, determined and declared that it is in the best interest of the District to authorize the President or Vice President of the Board and the Secretary or District Comptroller of the District to accept the offer by the Series 2021-1 Purchaser to purchase the Series 2021-1 Bonds in the principal amount not to exceed \$36,000,000, and the offer by the Series 2021-2 Purchaser to purchase the Series 2021-2 Bonds in the principal

amount not to exceed \$61,000,000, at a private negotiated sale upon the terms and conditions set forth herein.

Section 4. Resolution to Constitute a Contract. In consideration of the acceptance of the Series 2021 Bonds authorized to be issued under the Indenture by the Purchasers, this Resolution shall be deemed to be and shall constitute a contract between the District and such Purchasers. The covenants and agreements set forth herein to be performed by the District shall be for the equal benefit, protection and security of the Purchasers, and all authorized Bonds issued under and pursuant to the Indenture shall be of equal rank with and without preference or priority over or distinction between any such authorized Bonds over any other except as expressly provided therein and herein.

Section 5. Authorization of Improvements. There is hereby authorized the Improvements as the same may be amended and supplemented, and subject to such modifications thereof and variations therefrom which, from time to time, may be determined by the Board to be necessary for or in the best interest of the District.

Section 6. Authorization of Series 2021-1 Bonds. Subject and pursuant to the provisions of the Indenture, this Resolution and any subsequent resolutions adopted by the Board in connection with the Series 2021-1 Bonds prior to the issuance thereof, the Series 2021-1 Bonds are hereby authorized to be issued in a principal amount which shall not exceed \$36,000,000, to finance the cost of the Series 2021-1 Improvements. The authority to determine the principal amount of the Series 2021-1 Bonds subject to the limitation set forth herein and of each maturity or amortization installment of the Series 2021-1 Bonds to be issued is hereby delegated to the President or Vice President of the Board, jointly with the Secretary or District Comptroller of the District, which terms shall be set forth in the Purchase Agreement and the Twenty-First Supplemental Indenture. The Series 2021-1 Bonds are to be issued under and pursuant to the Indenture and shall be designated “Reedy Creek Improvement District (Florida) Utilities Revenue Bonds, Series 2021-1.”

Section 7. Authorization of Series 2021-2 Bonds. Subject and pursuant to the provisions of the Indenture, this Resolution and any subsequent resolutions adopted by the Board in connection with the Series 2021-2 Bonds prior to the issuance thereof, the Series 2021-2 Bonds are hereby authorized to be issued in a principal amount which shall not exceed \$61,000,000, to finance the cost of the Series 2021-2 Improvements. The authority to determine the principal amount of the Series 2021-2 Bonds subject to the limitation set forth herein and of each maturity or amortization installment of the Series 2021-2 Bonds to be issued is hereby delegated to the President or Vice President of the Board, jointly with the Secretary or District Comptroller of the District, which terms shall be set forth in the Purchase Agreement and the Twenty-Second Supplemental Indenture. The Series 2021-2 Bonds are to be issued under and pursuant to the Indenture and shall be designated “Reedy Creek Improvement District (Florida) Taxable Utilities Revenue Bonds, Series 2021-2.”

Section 8. Interest Rates and Redemption Terms of the Series 2021 Bonds.

(a) The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to specify (i) the dated date, interest rate, maturities or amortization installments, redemption provisions and related provisions with

respect to the Series 2021-1 Bonds; (ii) that the Series 2021-1 Bonds are to be issued as one Term Bond under the Indenture and the terms of any mandatory redemption thereof including Amortization Installments; and (iii) the terms of any optional redemption of the Series 2021-1 Bonds; *provided, however*, that:

(i) the final maturity of the Series 2021-1 Bonds shall be no later than October 1, 2040; and

(ii) the true interest cost of the Series 2021-1 Bonds, being issued as tax-exempt bonds, shall not exceed 2.00% per annum and be subject to adjustment upon the occurrence of certain events.

Such specification regarding the Series 2021-1 Bonds shall be conclusively evidenced by the delivery of the Twenty-First Supplemental Indenture in accordance herewith.

(b) The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to specify (i) the dated date, interest rate, maturities or amortization installments and related provisions with respect to the Series 2021-2 Bonds; (ii) that the Series 2021-2 Bonds are to be issued as one Term Bond under the Indenture and the terms of any mandatory redemption thereof including Amortization Installments; and (iii) the terms of any optional redemption of the Series 2021-2 Bonds; *provided, however*, that:

(i) the final maturity of the Series 2021-2 Bonds shall be no later than October 1, 2026; and

(ii) the true interest cost of the Series 2021-2 Bonds shall not exceed 2.50% per annum and be subject to adjustment upon the occurrence of certain events.

Such specification regarding the Series 2021-2 Bonds shall be conclusively evidenced by the delivery of the Twenty-Second Supplemental Indenture in accordance herewith.

Section 9. Security for the Series 2021 Bonds. The payment of the principal of and premium, if any, and interest on the Series 2021 Bonds shall be secured equally and ratably by a lien on and pledge of the Trust Estate under the Indenture with the Prior Bonds and any other additional Bonds issued pursuant to Section 7.10 of the Original Indenture, without preference, priority or distinction of any Bond over any other Bond and insofar as such lien on and pledge of the Trust Estate includes a lien on and pledge of the Net Revenues of the System with any Parity Obligations issued or to be issued under Section 7.10 of the Original Indenture.

The Series 2021 Bonds and the obligation evidenced thereby shall not constitute a lien upon the District's System, or any part thereof, or on any other property of or in the District, but shall be limited obligations of the District secured solely by and payable solely from the Trust Estate. Neither the faith and credit nor the taxing power of the District or the State of Florida or of any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Series 2021 Bonds. The principal of or premium, if any, or interest on the

Section 10. Indenture. It is the intention of the District that the Series 2021 Bonds be and they are hereby designated to be issued pursuant to the terms of the Indenture. Upon fulfillment of all of the terms and conditions of Section 7.10 of the Original Indenture and the authentication by the Trustee of the Series 2021 Bonds, the Series 2021 Bonds shall be entitled to all of the benefits of the Indenture as if such benefits were set forth fully in this Resolution.

Section 11. Appointment of Registrar and Paying Agent. The District hereby appoints U.S. Bank National Association as the Registrar and Paying Agent in connection with the Series 2021-1 Bonds under the terms of the Twenty-First Supplemental Indenture and in connection with the Series 2021-2 Bonds under the terms of the Twenty-Second Supplemental Indenture.

WHEREAS, the Board finds it desirable to authorize the issuance and sale, initially, of the Taxable Series 2021-3 Bonds, and on or after July 9, 2021, the exchange of the Taxable Series 2021-3 Bonds for the Tax-Exempt Series 2021-4 Bonds and cancellation of the Taxable Series 2021-3 Bonds under the Indenture in the amounts as provided herein and in the Purchase Agreement at a private, negotiated sale and to take all other actions related to such issuances and sales; and

WHEREAS, the Board wishes to approve the form and content of and authorize the execution and delivery of the Purchase Agreement; and

WHEREAS, the Board wishes to approve the form and content of and authorize the execution and delivery of the Twenty-Third Supplemental Indenture and the Twenty-Fourth Supplemental Indenture, providing, respectively, for the issuance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds; and

WHEREAS, the Board wishes to approve the defeasance of the Series 2011-2 Bonds maturing on October 1, 2021 (the “Defeased Bonds”); and

WHEREAS, the Board wishes to approve the form and content of and authorize the execution and delivery of the Escrow Deposit Agreement relating to the advance refunding of the Refunded Bonds and the defeasance of the Defeased Bonds, a form of which is attached hereto as Exhibit D (the “Escrow Agreement”); and

WHEREAS, the Board wishes to appoint an escrow agent under the Escrow Agreement; and

WHEREAS, the Board desires to take certain other actions with respect to, and to make other authorizations related to, the issuance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE REEDY CREEK IMPROVEMENT DISTRICT, that:

Section 1. Authority. This Resolution is adopted pursuant to Chapter 67-764, Laws of Florida, Special Acts of 1967 and other applicable provisions of law (collectively, the “Act”).

Section 2. Definitions. Unless the context otherwise requires, all terms used herein in capitalized form shall have the same meanings ascribed to such terms in the Indenture.

Section 3. Findings. It is hereby ascertained, determined and declared that:

(A) The District is empowered under the Act to own, operate and maintain utilities systems including, without limitation, water, wastewater, gas, electric, chilled water, hot water, and solid waste disposal utilities systems for the benefit of the District and to derive Gross Revenues therefrom. The District now owns or leases, operates and maintains the System and derives Gross Revenues therefrom.

(B) The District is authorized under the Act to issue bonds and use the proceeds thereof to pay the cost of the Improvements.

(C) It is necessary, advisable, desirable, and in the best interests of the District that the Taxable Series 2021-3 Bonds be authorized and issued in an amount not to exceed \$22,000,000 to (1) finance the costs of refunding the Refunded Bonds and (2) pay the costs of issuance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds.

(D) Except for the pledge of the Net Revenues for the benefit of the Prior Bonds, the Net Revenues of the System are not now pledged to or encumbered by any obligation, other than as contemplated by Resolution No. 624 adopted by the District on the date hereof,

secured on a parity with the Series 2021-3 Bonds or the Tax-Exempt Series 2021-4 Bonds, except in accordance with the terms hereof.

(E) The Series 2021-3 Taxable Bonds and the Tax-Exempt Series 2021-4 Bonds shall each be issued pursuant to the Indenture as *pari passu* additional bonds under Section 7.10 of the Original Indenture and this Resolution shall constitute a “Series Resolution” within the meaning and for the purposes of the Indenture.

(F) The principal of and interest on the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds and all of the reserve, sinking fund and other payments provided for in this Resolution, the Twenty-Third Supplemental Indenture and the Twenty-Fourth Supplemental Indenture will be paid solely from the Trust Estate, all as provided in the Indenture, and neither the faith and credit nor the taxing power of the District, the State of Florida or any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Taxable Series 2021-3 Bonds or the Tax-Exempt Series 2021-4 Bonds.

(G) The Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds will not be issued until all conditions relating to the issuance of *pari passu* additional bonds under the Original Indenture have been met, including, but not limited to, a certification of the District Comptroller that the issuance of the Taxable Series 2021-3 Bonds and the exchange thereof for the Tax-Exempt Series 2021-4 Bonds, together with the cancellation of the Series 2021-3 Bonds shall result in a reduction of the Annual Debt Service payments on the Refunded Bonds.

(H) It is hereby found and declared that a negotiated sale of the Taxable Series 2021-3 Bonds is in the best interest of the District and is found to be necessary on the basis of the following reasons, as to which specific findings are hereby made:

(i) Due to the volatility of the taxable municipal market, including the market for securities such as the Taxable Series 2021-3 Bonds, the District must be able to enter the market at the most advantageous time, rather than at a specific advertised date, thereby permitting the District to obtain the best possible price and interest rate with respect to the Taxable Series 2021-3 Bonds and achieve its savings goals, and any lack of flexibility in the sale of the Taxable Series 2021-3 Bonds could be prejudicial to the District;

(ii) The Purchaser has participated in structuring the issuance of the Taxable Series 2021-3 Bonds and can assist the District in attempting to obtain the most attractive financing for the District; and

(iii) The District will not be adversely affected if the Taxable Series 2021-3 Bonds are not sold in a competitive sale.

(I) The Purchaser will provide the District at the time or times of execution of the Purchase Agreement with disclosure statements regarding the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds containing the information required by Section 218.385(6), Florida Statutes.

(J) It is hereby ascertained, determined and declared that it is in the best interest of the District to authorize the President or Vice President of the Board and the Secretary or District Comptroller of the District to accept an offer by the Purchaser to purchase the Taxable Series 2021-3 Bonds in the principal amount not to exceed \$22,000,000 and the issuance of the Tax-Exempt Series 2021-4 Bonds upon the conditions set forth in the Purchase Agreement in a principal amount equal to the outstanding principal amount of the Taxable Series 2021-3 Bonds, at a private negotiated sale upon the terms and conditions set forth herein.

Section 4. Resolution to Constitute a Contract. In consideration of the acceptance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds authorized to be issued under the Indenture by the Purchaser, this Resolution shall be deemed to be and shall constitute a contract between the District and such Purchaser. The covenants and agreements set forth herein to be performed by the District shall be for the equal benefit, protection and security of the Purchaser, and all authorized Bonds issued under and pursuant to the Indenture shall be of equal rank with and without preference or priority over or distinction between any such authorized Bonds over any other except as expressly provided therein and herein.

Section 5. Authorization of Refunding of the Refunded Bonds and Defeasance of the Defeased Bonds. There is hereby authorized the refunding of the Refunded Bonds on the terms and conditions provided in the Indenture and Escrow Agreement and the Defeasance of the Defeased Bonds on the terms and conditions provided in the Escrow Agreement. The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to specify the dates upon which the Refunded Bonds are to be paid or redeemed.

Section 6. Authorization of Taxable Series 2021-3 Bonds. Subject and pursuant to the provisions of the Indenture, this Resolution and any subsequent resolutions adopted by the Board in connection with the Taxable Series 2021-3 Bonds prior to the issuance thereof, the Taxable Series 2021-3 Bonds are hereby authorized to be issued in a principal amount which shall not exceed \$22,000,000, to finance the cost of refunding the Refunded Bonds and pay the costs of issuance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds. The authority to determine the principal amount of the Taxable Series 2021-3 Bonds subject to the limitation set forth herein and of each maturity or amortization installment of the Taxable Series 2021-3 Bonds to be issued is hereby delegated to the President or Vice President of the Board, jointly with the Secretary or District Comptroller of the District, which terms shall be set forth in the Purchase Agreement and the Twenty-Third Supplemental Indenture. The Taxable Series 2021-3 Bonds are to be issued under and pursuant to the Indenture and shall be designated “Reedy Creek Improvement District (Florida) Taxable Utilities Revenue Refunding Bonds, Series 2021-3.”

Section 7. Authorization of Tax-Exempt Series 2021-4 Bonds. Subject and pursuant to the provisions of the Indenture, this Resolution and any subsequent resolutions adopted by the Board in connection with the Tax-Exempt Series 2021-4 Bonds prior to the issuance thereof, the Tax-Exempt Series 2021-4 Bonds are hereby authorized to be issued in a principal amount equal to the outstanding principal amount of the Taxable Series 2021-3 Bonds, to current refund the Taxable Series 2021-3 Bonds. Such current refunding shall be effected through a mandatory tender and exchange of the Taxable Series 2021-3 Bonds for the Tax-Exempt Series 2021-4 Bonds and cancellation of the Taxable Series 2021-3 Bonds; all as shall be set forth in the Purchase Agreement

and the Twenty-Third Supplemental Indenture. The Tax-Exempt Series 2021-4 Bonds are to be issued under and pursuant to the Indenture and shall be designated “Reedy Creek Improvement District (Florida) Utilities Revenue Refunding Bonds, Series 2021-4.”

Section 8. Interest Rates and Redemption Terms of the Series 2021 Bonds.

(a) The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to specify (i) the dated date, interest rate, maturities or amortization installments, redemption provisions and related provisions with respect to the Taxable Series 2021-3 Bonds; (ii) that the Taxable Series 2021-3 Bonds are to be issued as one Term Bond under the Indenture and the terms of any mandatory redemption thereof including Amortization Installments; and (iii) the terms of any optional redemption of the Taxable Series 2021-3 Bonds; *provided, however*, that:

(i) the final maturity of the Taxable Series 2021-3 Bonds shall be no later than October 1, 2025;

(ii) the present value savings realized by the refunding of the Refunded Bonds shall be at least 5.00% of the principal amount of the Refunded Bonds;

(iii) the true interest cost of the Taxable Series 2021-3 Bonds shall not exceed 1.25% per annum and be subject to adjustment upon the occurrence of certain events;

(iv) The Taxable Series 2021-3 Bonds shall be subject to mandatory tender on or after July 9, 2021 in exchange for the same principal amount of Tax-Exempt Series 2021-4 Bonds at the option of the District and be cancelled upon exchange.

Such specification regarding the Taxable Series 2021-3 Bonds shall be conclusively evidenced by the delivery of the Twenty-Third Supplemental Indenture in accordance herewith.

(b) The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to issue the Tax-Exempt Series 2021-4 Bonds to current refund the Taxable Series 2021-3 Bonds through an exchange of the Taxable Series 2021-3 Bonds for the Tax-Exempt Series 2021-4 Bonds, and payment of accrued interest thereon, and cancellation thereof, and to specify, pursuant to the Purchase Agreement, the dated date, interest rate, maturities or amortization installments and related provisions with respect to the Tax-Exempt Series 2021-4 Bonds; (ii) which, if any, of the Tax-Exempt Series 2021-4 Bonds are to be Term Bonds under the Indenture and the terms of any mandatory redemption thereof including Amortization Installments; and (iii) the terms of any optional redemption of the Tax-Exempt Series 2021-4 Bonds; *provided, however*, that:

(i) the final maturity of the Tax-Exempt Series 2021-4 Bonds shall be no later than October 1, 2025;

(ii) the true interest cost of the Tax-Exempt Series 2021-4 Bonds shall not exceed 1.25% per annum so long as the interest on such Tax-Exempt Series

2021-4 Bonds is excluded from gross income of the Purchaser thereof, and shall be subject to adjustment upon the occurrence of certain events.

Such specification regarding the Tax-Exempt Series 2021-4 Bonds shall be conclusively evidenced by the delivery of the Twenty-Fourth Supplemental Indenture in accordance herewith.

Section 9. Security for the Series 2021 Bonds. The Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds, together with the Original Indenture, are hereinafter called the “Series 2021 Bonds”. The payment of the principal of and premium, if any, and interest on the Series 2021 Bonds shall be secured equally and ratably by a lien on and pledge of the Trust Estate under the Indenture with the Prior Bonds and any other additional Bonds issued pursuant to Section 7.10 of the Original Indenture, without preference, priority or distinction of any Bond over any other Bond and insofar as such lien on and pledge of the Trust Estate includes a lien on and pledge of the Net Revenues of the System with any Parity Obligations issued or to be issued under Section 7.10 of the Original Indenture.

The Series 2021 Bonds and the obligation evidenced thereby shall not constitute a lien upon the District’s System, or any part thereof, or on any other property of or in the District but shall be limited obligations of the District secured solely by and payable solely from the Trust Estate. Neither the faith and credit nor the taxing power of the District or the State of Florida or of any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Series 2021 Bonds. Upon fulfillment of all of the terms and conditions of Section 7.10 of the Original Indenture and the authentication by the Trustee of the Series 2021 Bonds, the Series 2021 Bonds shall be entitled to all of the benefits of the Indenture as if such benefits were set forth fully in this Resolution.

Section 12. Authorization of Execution and Delivery of Twenty-Third Supplemental Indenture. The District hereby approves the form and content of the Twenty-Third Supplemental Indenture. (A) The President or Vice President of the Board, jointly with the Secretary or District Comptroller of the District, are hereby authorized and directed, on behalf of the District, to execute the Series 2021 Bonds as provided in the Indenture and any of such officers is hereby authorized and directed, upon the execution of the Taxable Series 2021-3 Bonds in the form and manner set forth in the Twenty-Third Supplemental Indenture and herein and the Tax-Exempt Series 2021-4 Bonds in the form and manner set forth in the Twenty-Fourth Supplemental Indenture and herein, to deliver the Series 2021 Bonds in the amounts authorized to be issued hereunder, to the Trustee for authentication and delivery to the Purchaser pursuant to the Purchase Agreement, upon payment of the purchase price, in the case of the Taxable Series 2021-3, and upon the tender and exchange of the Taxable Series 2021-3 Bonds for the Tax-Exempt Series 2021-4 Bonds, in the case of the Tax-Exempt Series 2021-4 Bonds and upon compliance by the Purchaser and satisfaction of the conditions precedent under the terms of the Purchase Agreement.

WHEREAS, the Board desires to take certain other actions with respect to, and to make other authorizations related to, the issuance of the Series 2021 Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE REEDY CREEK IMPROVEMENT DISTRICT, that:

Section 1. Authority. This Resolution is adopted pursuant to Chapter 67-764, Laws of Florida, Special Acts of 1967 and other applicable provisions of law (collectively, the “Act”).

Section 2. Definitions. Unless the context otherwise requires, all terms used herein in capitalized form shall have the same meanings ascribed to such terms in the Indenture.

Section 3. Findings. It is hereby ascertained, determined and declared that:

(A) The District is empowered under the Act to own, operate and maintain utilities systems including, without limitation, water, wastewater, gas, electric, chilled water, hot water, and solid waste disposal utilities systems for the benefit of the District and to derive Gross Revenues therefrom. The District now owns or leases, operates and maintains the System and derives Gross Revenues therefrom.

(B) The District is authorized under the Act to issue bonds and use the proceeds thereof to pay the cost of the Improvements.

(C) It is necessary, advisable, desirable, and in the best interests of the District that the Series 2021 Bonds be authorized and issued (1) in an amount not to exceed \$36,000,000 to finance the cost of the Series 2021-1 Improvements and pay costs of issuance, in the case of the Series 2021-1 Bonds and (2) in an amount not to exceed \$61,000,000 to finance the cost of the Series 2021-2 Improvements and pay costs of issuance, in the case of the Series 2021-2 Bonds.

(D) The cost of the Series 2021-1 Improvements and the Series 2021-2 Improvements includes all items of cost set forth in the definition of “Costs of the Project” in the Indenture.

(E) Except for the pledge of the Net Revenues for the benefit of the Prior Bonds, the Net Revenues of the System are not now pledged to or encumbered by any obligation, other than as contemplated by Resolution No. 625 adopted by the District on the date hereof, secured on a parity with the Series 2021 Bonds, except in accordance with the terms hereof.

(F) The Series 2021 Bonds shall be issued pursuant to the Indenture as *pari passu* additional bonds under Section 7.10 of the Original Indenture and this Resolution shall constitute a “Series Resolution” within the meaning and for the purposes of the Indenture.

(G) The principal of and interest on the Series 2021 Bonds and all of the reserve, sinking fund and other payments provided for in this Resolution, the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture will be paid solely from the Trust Estate, all as provided in the Indenture, and neither the faith and credit nor the taxing power of the District, the State of Florida or any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Series 2021 Bonds.

(H) The Series 2021 Bonds will not be issued until all conditions relating to the issuance of *pari passu* additional bonds under the Original Indenture have been met, including, but not limited to, a certification of the District Comptroller that the amount of Net Revenues, as adjusted pursuant to Section 7.10 of the Original Indenture, received during any twelve (12) consecutive months of the eighteen (18) months immediately preceding the issuance of the Series 2021 Bonds, will be at least equal to one hundred ten percent (110%) of the Maximum Annual Debt Service on the Outstanding Bonds under the Indenture (including for this purpose the Series 2021 Bonds).

(I) It is hereby found and declared that a negotiated sale of the Series 2021 Bonds is in the best interest of the District and is found to be necessary on the basis of the following reasons, as to which specific findings are hereby made:

(i) Due to the complex nature of financing the System, the favorable terms of the proposals of the Purchasers, the volatility of the municipal market, including the market for tax exempt and taxable securities such as the Series 2021 Bonds, the District must be able to enter the market at the most advantageous time, rather than at a specific advertised date, thereby permitting the District to obtain the best possible prices and interest rates with respect to the Series 2021 Bonds and achieve its savings goals, and any lack of flexibility in the sale of the Series 2021 Bonds could be prejudicial to the District; and

(ii) The District will not be adversely affected if the Series 2021 Bonds are not sold in a competitive sale.

(J) The Purchasers will provide the District at the time of execution of the respective Purchase Agreements with disclosure statements regarding the Series 2021-1 Bonds and Series 2021-2 Bonds, as applicable, containing the information required by Section 218.385(6), Florida Statutes.

(K) It is hereby ascertained, determined and declared that it is in the best interest of the District to authorize the President or Vice President of the Board and the Secretary or District Comptroller of the District to accept the offer by the Series 2021-1 Purchaser to purchase the Series 2021-1 Bonds in the principal amount not to exceed \$36,000,000, and the offer by the Series 2021-2 Purchaser to purchase the Series 2021-2 Bonds in the principal

amount not to exceed \$61,000,000, at a private negotiated sale upon the terms and conditions set forth herein.

Section 4. Resolution to Constitute a Contract. In consideration of the acceptance of the Series 2021 Bonds authorized to be issued under the Indenture by the Purchasers, this Resolution shall be deemed to be and shall constitute a contract between the District and such Purchasers. NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE REEDY CREEK IMPROVEMENT DISTRICT, that:

Section 1. Authority. This Resolution is adopted pursuant to Chapter 67-764, Laws of Florida, Special Acts of 1967 and other applicable provisions of law (collectively, the “Act”).

Section 2. Definitions. Unless the context otherwise requires, all terms used herein in capitalized form shall have the same meanings ascribed to such terms in the Indenture.

Section 3. Findings. It is hereby ascertained, determined and declared that:

(A) The District is empowered under the Act to own, operate and maintain utilities systems including, without limitation, water, wastewater, gas, electric, chilled water, hot water, and solid waste disposal utilities systems for the benefit of the District and to derive Gross Revenues therefrom. The District now owns or leases, operates and maintains the System and derives Gross Revenues therefrom.

(B) The District is authorized under the Act to issue bonds and use the proceeds thereof to pay the cost of the Improvements.

(C) It is necessary, advisable, desirable, and in the best interests of the District that the Taxable Series 2021-3 Bonds be authorized and issued in an amount not to exceed \$22,000,000 to (1) finance the costs of refunding the Refunded Bonds and (2) pay the costs of issuance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds.

(D) Except for the pledge of the Net Revenues for the benefit of the Prior Bonds, the Net Revenues of the System are not now pledged to or encumbered by any obligation, other than as contemplated by Resolution No. 624 adopted by the District on the date hereof,

secured on a parity with the Series 2021-3 Bonds or the Tax-Exempt Series 2021-4 Bonds, except in accordance with the terms hereof.

(E) The Series 2021-3 Taxable Bonds and the Tax-Exempt Series 2021-4 Bonds shall each be issued pursuant to the Indenture as *pari passu* additional bonds under Section 7.10 of the Original Indenture and this Resolution shall constitute a “Series Resolution” within the meaning and for the purposes of the Indenture.

(F) The principal of and interest on the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds and all of the reserve, sinking fund and other payments provided for in this Resolution, the Twenty-Third Supplemental Indenture and the Twenty-Fourth Supplemental Indenture will be paid solely from the Trust Estate, all as provided in the Indenture, and neither the faith and credit nor the taxing power of the District, the State of Florida or any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Taxable Series 2021-3 Bonds or the Tax-Exempt Series 2021-4 Bonds.

(G) The Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds will not be issued until all conditions relating to the issuance of *pari passu* additional bonds under the Original Indenture have been met, including, but not limited to, a certification of the District Comptroller that the issuance of the Taxable Series 2021-3 Bonds and the exchange thereof for the Tax-Exempt Series 2021-4 Bonds, together with the cancellation of the Series 2021-3 Bonds shall result in a reduction of the Annual Debt Service payments on the Refunded Bonds.

(H) It is hereby found and declared that a negotiated sale of the Taxable Series 2021-3 Bonds is in the best interest of the District and is found to be necessary on the basis of the following reasons, as to which specific findings are hereby made:

(i) Due to the volatility of the taxable municipal market, including the market for securities such as the Taxable Series 2021-3 Bonds, the District must be able to enter the market at the most advantageous time, rather than at a specific advertised date, thereby permitting the District to obtain the best possible price and interest rate with respect to the Taxable Series 2021-3 Bonds and achieve its savings goals, and any lack of flexibility in the sale of the Taxable Series 2021-3 Bonds could be prejudicial to the District;

(ii) The Purchaser has participated in structuring the issuance of the Taxable Series 2021-3 Bonds and can assist the District in attempting to obtain the most attractive financing for the District; and

(iii) The District will not be adversely affected if the Taxable Series 2021-3 Bonds are not sold in a competitive sale.

(I) The Purchaser will provide the District at the time or times of execution of the Purchase Agreement with disclosure statements regarding the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds containing the information required by Section 218.385(6), Florida Statutes.

(J) It is hereby ascertained, determined and declared that it is in the best interest of the District to authorize the President or Vice President of the Board and the Secretary or District Comptroller of the District to accept an offer by the Purchaser to purchase the Taxable Series 2021-3 Bonds in the principal amount not to exceed \$22,000,000 and the issuance of the Tax-Exempt Series 2021-4 Bonds upon the conditions set forth in the Purchase Agreement in a principal amount equal to the outstanding principal amount of the Taxable Series 2021-3 Bonds, at a private negotiated sale upon the terms and conditions set forth herein.

Section 4. Resolution to Constitute a Contract. In consideration of the acceptance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds authorized to be issued under the Indenture by the Purchaser, this Resolution shall be deemed to be and shall constitute a contract between the District and such Purchaser. The covenants and agreements set forth herein to be performed by the District shall be for the equal benefit, protection and security of the Purchaser, and all authorized Bonds issued under and pursuant to the Indenture shall be of equal rank with and without preference or priority over or distinction between any such authorized Bonds over any other except as expressly provided therein and herein.

Section 5. Authorization of Refunding of the Refunded Bonds and Defeasance of the Defeased Bonds. There is hereby authorized the refunding of the Refunded Bonds on the terms and conditions provided in the Indenture and Escrow Agreement and the Defeasance of the Defeased Bonds on the terms and conditions provided in the Escrow Agreement. The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to specify the dates upon which the Refunded Bonds are to be paid or redeemed.

Section 6. Authorization of Taxable Series 2021-3 Bonds. Subject and pursuant to the provisions of the Indenture, this Resolution and any subsequent resolutions adopted by the Board in connection with the Taxable Series 2021-3 Bonds prior to the issuance thereof, the Taxable Series 2021-3 Bonds are hereby authorized to be issued in a principal amount which shall not exceed \$22,000,000, to finance the cost of refunding the Refunded Bonds and pay the costs of issuance of the Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds. The authority to determine the principal amount of the Taxable Series 2021-3 Bonds subject to the limitation set forth herein and of each maturity or amortization installment of the Taxable Series 2021-3 Bonds to be issued is hereby delegated to the President or Vice President of the Board, jointly with the Secretary or District Comptroller of the District, which terms shall be set forth in the Purchase Agreement and the Twenty-Third Supplemental Indenture. The Taxable Series 2021-3 Bonds are to be issued under and pursuant to the Indenture and shall be designated “Reedy Creek Improvement District (Florida) Taxable Utilities Revenue Refunding Bonds, Series 2021-3.”

Section 7. Authorization of Tax-Exempt Series 2021-4 Bonds. Subject and pursuant to the provisions of the Indenture, this Resolution and any subsequent resolutions adopted by the Board in connection with the Tax-Exempt Series 2021-4 Bonds prior to the issuance thereof, the Tax-Exempt Series 2021-4 Bonds are hereby authorized to be issued in a principal amount equal to the outstanding principal amount of the Taxable Series 2021-3 Bonds, to current refund the Taxable Series 2021-3 Bonds. Such current refunding shall be effected through a mandatory tender and exchange of the Taxable Series 2021-3 Bonds for the Tax-Exempt Series 2021-4 Bonds and cancellation of the Taxable Series 2021-3 Bonds; all as shall be set forth in the Purchase Agreement

and the Twenty-Third Supplemental Indenture. The Tax-Exempt Series 2021-4 Bonds are to be issued under and pursuant to the Indenture and shall be designated “Reedy Creek Improvement District (Florida) Utilities Revenue Refunding Bonds, Series 2021-4.”

Section 8. Interest Rates and Redemption Terms of the Series 2021 Bonds.

(a) The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to specify (i) the dated date, interest rate, maturities or amortization installments, redemption provisions and related provisions with respect to the Taxable Series 2021-3 Bonds; (ii) that the Taxable Series 2021-3 Bonds are to be issued as one Term Bond under the Indenture and the terms of any mandatory redemption thereof including Amortization Installments; and (iii) the terms of any optional redemption of the Taxable Series 2021-3 Bonds; *provided, however*, that:

(i) the final maturity of the Taxable Series 2021-3 Bonds shall be no later than October 1, 2025;

(ii) the present value savings realized by the refunding of the Refunded Bonds shall be at least 5.00% of the principal amount of the Refunded Bonds;

(iii) the true interest cost of the Taxable Series 2021-3 Bonds shall not exceed 1.25% per annum and be subject to adjustment upon the occurrence of certain events;

(iv) The Taxable Series 2021-3 Bonds shall be subject to mandatory tender on or after July 9, 2021 in exchange for the same principal amount of Tax-Exempt Series 2021-4 Bonds at the option of the District and be cancelled upon exchange.

Such specification regarding the Taxable Series 2021-3 Bonds shall be conclusively evidenced by the delivery of the Twenty-Third Supplemental Indenture in accordance herewith.

(b) The President or Vice President of the Board and the Secretary or District Comptroller of the District are hereby delegated the power to issue the Tax-Exempt Series 2021-4 Bonds to current refund the Taxable Series 2021-3 Bonds through an exchange of the Taxable Series 2021-3 Bonds for the Tax-Exempt Series 2021-4 Bonds, and payment of accrued interest thereon, and cancellation thereof, and to specify, pursuant to the Purchase Agreement, the dated date, interest rate, maturities or amortization installments and related provisions with respect to the Tax-Exempt Series 2021-4 Bonds; (ii) which, if any, of the Tax-Exempt Series 2021-4 Bonds are to be Term Bonds under the Indenture and the terms of any mandatory redemption thereof including Amortization Installments; and (iii) the terms of any optional redemption of the Tax-Exempt Series 2021-4 Bonds; *provided, however*, that:

(i) the final maturity of the Tax-Exempt Series 2021-4 Bonds shall be no later than October 1, 2025;

(ii) the true interest cost of the Tax-Exempt Series 2021-4 Bonds shall not exceed 1.25% per annum so long as the interest on such Tax-Exempt Series

2021-4 Bonds is excluded from gross income of the Purchaser thereof, and shall be subject to adjustment upon the occurrence of certain events.

Such specification regarding the Tax-Exempt Series 2021-4 Bonds shall be conclusively evidenced by the delivery of the Twenty-Fourth Supplemental Indenture in accordance herewith.

Section 9. Security for the Series 2021 Bonds. The Taxable Series 2021-3 Bonds and the Tax-Exempt Series 2021-4 Bonds, together with the Original Indenture, are hereinafter called the “Series 2021 Bonds”. The payment of the principal of and premium, if any, and interest on the Series 2021 Bonds shall be secured equally and ratably by a lien on and pledge of the Trust Estate under the Indenture with the Prior Bonds and any other additional Bonds issued pursuant to Section 7.10 of the Original Indenture, without preference, priority or distinction of any Bond over any other Bond and insofar as such lien on and pledge of the Trust Estate includes a lien on and pledge of the Net Revenues of the System with any Parity Obligations issued or to be issued under Section 7.10 of the Original Indenture.

The Series 2021 Bonds and the obligation evidenced thereby shall not constitute a lien upon the District’s System, or any part thereof, or on any other property of or in the District but shall be limited obligations of the District secured solely by and payable solely from the Trust Estate. Neither the faith and credit nor the taxing power of the District or the State of Florida or of any political subdivision thereof is pledged to the payment of the principal of or premium, if any, or interest on the Series 2021 Bonds. Section 11. Appointment of Registrar and Paying Agent. The District hereby appoints U.S. Bank National Association as the Registrar and Paying Agent in connection with the Taxable Series 2021-3 Bonds under the terms of the Twenty-Third Supplemental Indenture and in connection with the Tax-Exempt Series 2021-4 Bonds under the terms of the Twenty-Fourth Supplemental Indenture.

Section 12. Authorization of Execution and Delivery of Twenty-Third Supplemental Indenture. The District hereby approves the form and content of the Twenty-Third Supplemental Indenture.
