Mr. Classe advised that Mr. Quinn will share a brief financial overview of the document left on each BOS member's desk.

Mr. Quinn advised that this overview covers bonds issued between 2013-2020, and how the funds were spent. Mr. Quinn advised that on the first page of the document, you will see the Ad Valorem

Bonds and the Osceola Parkway settlement amount in addition to the bonds. Mr. Quinn also advised that so far, all of the transportation bonds are committed to one project or another and that the current interest rate is under 3% on all tax exempt bonds. Mr. Quinn advised that on the second page, you will see the Utility Revenue Bonds. All amounts are committed except for \$23M left over in 2018-1. Mr. Quinn advised that the new 2021 rates are at 1.75% for 15 years; 2021-2A and 2021-2B are at 1.03% over 5 years and 1.58% over 7-8 years, respectively. Mr. Quinn advised that for the refinancing of the 2011 Bonds, the interest rate is .81%, which is a really great rate from Truist/BB&T. All of the new bonds have a weighted average at 2.2% which is extremely good.

Mr. Classe advised that the next BOS meeting will take place on March 24th at 9:30 a.m. and we will continue with social distancing. Mr. Classe asked the BOS members to please be sure to keep their calendars clear, especially in May, as well as for all future meetings.

Mr. Classe advised that due to perseverance we've all experienced over this last year, he feels that today's Final Thought is very appropriate. Today's quote is from Nelson Mandela, South African anti-apartheid leader, *"It always seems impossible until it's done."*

There being no further business to come before the Board, the meeting was adjourned at 10:10 a.m.

Monthly Utilities Report

Electric and Natural Gas Purchases and Sales

Megawatt hour loads were approximately 1% above budget with the peak load 2.3% above budget. Average temperatures for February 2021 were 1.5% higher when compared to same month in 2020 and was 4.1% lower when compared to the average temperatures experienced in 2019. Total cost per megawatt hour for February 2021 was approximately 1% below budget equating to approximately \$693 of net electric savings to plan. The modest electric savings are driven primarily by overall higher energy volumes and peak demands than forecasted coupled with higher overall natural gas prices partly resulting from adverse weather conditions occurring in Texas during the month. The higher energy costs were offset by a reduction in Transmission costs due to lower transmission system peak than projected. Property closure resulting from the COVID19 virus pandemic continues to impact financial results for RCID and is expected to continue through the end of FY21.

Natural Gas (Distribution and Hot Water)

Natural gas commodity prices were approximately 9.8% above budget, with volumes approximately 12% under budget. Actual volumes were lower than budgeted **driven by property closure resulting from the COVID19 virus pandemic as well as adverse weather conditions in Texas affecting pipeline deliveries during the month.** Total natural gas cost per MMBtu for February was approximately 9% above budget due to volume reductions lower than budgeted levels and adverse weather conditions affecting pipeline deliveries during the month. Gross natural gas costs were approximately \$30K under budget driven primarily by a combination of lower natural gas volumes than budgeted, somewhat offset by higher gas prices than budgeted.

ELIGIBILITY AND BENEFITS

2.1 The eligibility requirements for benefits hereunder, the amount and type of benefits, the circumstances under which benefits will and will not be provided, and other provisions affecting eligibility and benefits are set forth in the relevant policy for retiree health insurance coverage and death benefits established by the District. In general, the Plan is expected to partially-fund benefits to Members and their spouses and dependents in accordance with that policy. The Plan does not expand or increase the benefits available to Eligible Employees beyond that policy, nor does it not expand or increase the District's liabilities in providing benefits.

2.2 This Plan may partially fund benefits by reimbursing the District for premium payments or the cost of expenses. This Plan is not expected to provide funds directly to any Member, spouse, or dependent.

2.3 This Plan and the Trust may be used to partially-fund benefits. As such, benefits described herein will not be due under the Plan to the extent any of the following apply:

(a) A determination is made under the Plan that a benefit is not properly payable under the Plan or the relevant policy established by the District;

(b) Benefits requested exceed the value of the Trust (including principal and earnings), in which event only those benefits in excess of Trust assets may be declined on this basis;

(c) Benefits are paid by the Employer; or,

(d) The Employer expresses the intention to pay or otherwise fund or provide benefits without the use of Trust Funds.

(e) Subsections (c) and (d), above, do not apply to a request from the District for a reimbursement from the Plan for expenses paid by the District.

2.4 No part of the Trust Fund will inure to the benefit of any private entity or individual, other than through the funding of the benefits for Members, as described herein.

ARTICLE III

CONTRIBUTIONS

3.1 Employer Contributions: the District will contribute such amounts to the Trust Fund from time to time as it deems appropriate in order to pay for all or a portion of the benefits described under this Plan.

3.2 The RCID VEBA may, but is not obligated to, request or demand funding from the Employer. The RCID VEBA's only recourse for the Employer's failure to make contributions is the denial of benefits for insufficient funds.

ARTICLE IV

ESTABLISHMENT OF FUND AND TRUSTEE

4.1 Trust Fund: The RCID VEBA will maintain a Trust Fund in connection with the Plan, the Trustee of which will be selected by the RCID VEBA or the Employer. Contributions made by the Employer from time to time under the Plan will be paid into such Trust Fund.

4.2 Appointment of Trustee: A Trustee will be appointed by the RCID VEBA Board to administer the Trust Fund. Until another person or entity is appointed, the RCID VEBA Board shall serve as Trustee.

4.3 Responsibility of Trustee: All contributions under this Plan will be paid to the Trustee and will be held, invested and reinvested by the Trustee, in line with the District's investment policy and restrictions. All property and funds of the Trust Fund, including income

from investments and from all other sources, will be retained for the exclusive benefit of Members, as provided in the Plan, and will be used to pay benefits on behalf of Members, to pay expenses of administration of the Plan and Trust Fund to the extent not paid by the District, or to reimburse the District for benefits and benefit expenses paid directly by the District.

4.4 Bonding of Trustee: No Trustee will be required to furnish any bond or security for the performance of its duties hereunder unless applicable law makes the furnishing of such bond or security mandatory, or such a condition is separately contracted.

ARTICLE V

MISCELLANEOUS

5.1 Spendthrift, Nonassignability, and Facility of Payment: Benefits payable under the Plan are not in any way subject to the debts or other obligations of the Employer or Eligible Employees, and may not be voluntarily or involuntarily sold, transferred or assigned to any person or persons other than the provider or providers of medical, hospitalization, and other related services.

5.2 Mistake of Fact: Any misstatement or any other mistake of fact in any notice or other document filed with the Employer, the RCID VEBA, or the Trustee will be corrected when it becomes known and proper adjustment made by reason thereof. Neither the Trustee, the Employer, nor the RCID VEBA will be liable in any manner for any determination of fact made in good faith.

5.3 No Vested Interest: Without limiting rights to benefits from the District, no Eligible Employee or any other person will have any right, title or interest in or to the assets of the Trust Fund, or in or to any Employer contributions thereto, such contributions to be made to and held under the Trust for the sole purpose of providing benefit payments under the Plan in accordance with its terms and defraying expenses thereof. Neither the Trustee nor the Employer in any way guarantee the payment of any benefit which may become due on behalf of any Member under the Plan. The liability of the Employer and the Trustee for payment of benefits under the Plan as of any date is limited solely to the then assets of the Trust Fund.

5.4 Applicable Law: Subject to the provisions of the Code which may be applicable and provide to the contrary, this Plan, as amended from time to time, will be administered, construed and enforced according to the laws of the state of Florida and in courts situated in that State.

(a) For the purposes of the Florida Trust Code, this Plan relates to a charitable trust whose funds are used for governmental purposes, as described in Florida Statutes Chapter 736.0405(1).

(b) For the purposes of the Code, this Plan relates to a tax-exempt trust under Section 501(c)(9) of the Code, whose funds are used to satisfy the "essential governmental

4

function" (as that phrase is used in Section 115 of the Code) of providing benefits to Eligible Employees, to the extent the Employer is obligated to provide such benefits.

5.5 Employment Rights: Employment rights of an Eligible Employee will not be deemed to be enlarged or diminished by reason of the establishment of this Plan, nor will any provisions of this Plan be deemed to confer any right upon any Eligible Employee to be retained in the service of the Employer.

5.6 Taxation: The taxation of Plan assets is not warranted or guaranteed, but the following tax treatment is anticipated-

(a) Contributions into the Trust Fund and benefits paid by the Trust Fund as medical benefits will not be a tax event for the RCID VEBA, the District, or Members (or their spouses and dependents) pursuant to subsection (b) of Treasury Regulation 1.501(c)(9)-6, and sections 104, 105, 106, and 115 of the Code.

(b) Contributions into the Trust Fund for death benefits will not be a tax event for the RCID VEBA, the District, or Members (or their spouses and dependents) pursuant to subsection (b) of Treasury Regulation 1.501(c)(9)-6 and section 115 of the Code. Benefits paid to Members may be taxable under sections 61(a) or 79 of the Code.

(c) Assets retained by the Trust Fund and Trust Fund earnings will be exempt from taxation under sections 501(c)(9) and 115 of the Code; and,

(d) Section 125 of the Code will not apply since all assets of the Trust Fund are employer contributions.

ARTICLE VI

AMENDMENT, TERMINATION, CONSOLIDATION OR MERGER

6.1 Amendment: The Plan may be amended by the RCID VEBA at any time and from time to time, except that no such amendment will permit the return or reversion to the Employer of any part of the Trust, nor permit the use or application of the Trust Fund for the benefit of anyone other than Eligible Employees. This Plan may be amended by a written resolution adopted by a majority of the Board of Directors of the RCID VEBA.

6.2 Termination: The Plan may be terminated at any time by the RCID VEBA, subject to the same limitations with respect to the effect of any such termination as are set forth with respect to amendments of the Plan. Termination of the Plan will be effected by a written resolution adopted by a majority of the RCID VEBA's Board of Directors. Furthermore, the Plan will also automatically terminate if the RCID VEBA (1) is legally dissolved, (2) makes a general assignment for the benefit of its creditors, (3) files for liquidation under the Bankruptcy Code, (4) merges or consolidates with any other entity and it is not the surviving entity, or if it sells or transfers substantially all of its assets, or goes out of business, unless the RCID VEBA's successor in interest agrees to assume the liabilities under this Plan as to the Members. 6.3 Disposition of Trust Fund Upon Any Termination: Upon termination of the Plan, the Trustee, in accordance with the Trust Agreement, will apply all the remaining assets of the Trust Fund in a uniform and nondiscriminatory manner exclusively toward the provision of benefits for or on account of Members. This includes transferring Trust Fund assets to an irrevocable trust to be maintained by the District to provide benefits to Members.

6.4 Contributions Contingent Upon Approval: This Plan and Trust are designated to qualify under Section 501(c)(9) of the Code. Anything contained herein to the contrary notwithstanding, if a determination letter issued by the Internal Revenue Service is to the effect that the Plan and Trust herein set forth or as amended prior to the receipt of such letter do not meet the requirements of Section 501(c)(9) of the Code, the District will be entitled at its option to withdraw all contributions theretofore made, in which event the Plan and Trust will then terminate and all rights of the Members will cease and come to an end with the same effect as if the Plan and Trust had never been adopted.

6.5 Consolidation or Merger: Upon the Employer's liquidation, bankruptcy, insolvency, sale, consolidation, or merger to or with another organization, in which the Employer is not the surviving entity, or upon an adjudication or other official determination by a court of competent jurisdiction or other public authority pursuant to which a conservator, receiver, or other legal custodian is appointed for the purposes of operation or liquidation of the Employer, the Plan and Trust will terminate. Trust Fund assets will be held or distributed as herein provided, unless the successor to the Employer assumes the duties and responsibilities of the Employer by adopting this Plan and Trust, or by the establishment of a separate Plan and Trust to which the Trust Fund assets of this Trust will be transferred with the consent and agreement of the RCID VEBA.

ARTICLE VII

ADMINISTRATION

7.1 Allocation of Responsibility Among Fiduciaries for Plan Administration: The Fiduciaries will have only those specific powers, duties, responsibilities and obligations as are specifically given them under this Plan or the Trust Agreement. In general, the Employer will have the sole responsibility for making the contributions described; RCID VEBA will be responsible for appointing and removing the Trustee, determining the eligibility of Members, appointing and removing the investment manager, if any, amending or terminating, in whole or in part, this Plan or related documents, and performing the steps and functions needed to administer this Plan, but only to the extent specifically described in this Plan.

7.3 Each Fiduciary warrants that any directions given, information furnished, or action taken by it will be in accordance with the provisions of the Plan or the Trust Agreement, as the case may be, authorizing or providing for such direction, information or action. Furthermore, such Fiduciary may rely upon any such direction, information, or action of another

6

Fiduciary as being proper under this Plan or the Trust Agreement, and is not required under this Plan or Trust Agreement to inquire into the propriety of any such direction, information or action. It is intended under this Plan and Trust Agreement that each Fiduciary will be responsible for the proper exercise of its own powers, duties, responsibilities and obligations under this Plan and the Trust Agreement and will not be responsible for any act or failure to act of another Fiduciary. No Fiduciary guarantees the Trust Fund in any manner against investment loss or depreciation in asset value.

7.4 Administration: The Plan will be administered by the RCID VEBA, in accordance with the terms of this Plan, the Trust, and the RCID VEBA's bylaws.

7.5 Claims Procedure: The right of any person to a benefit will be determined in accordance with the applicable District policy.

7.6 Records and Reports: The RCID VEBA will exercise such authority and responsibility as it deems appropriate in order to comply with applicable reporting requirements, and to assist the District with its reporting requirements relating to Plan assets. At a minimum, records of Trust Fund contributions and distributions will be maintained.

7.7 Other Powers and Duties: The RCID VEBA will have such duties and powers as may be necessary to discharge its duties hereunder, including, but not by way of limitation, the following:

(e) to appoint or employ (either directly or through its secretary) individuals to assist in the administration of the Plan and any other agents it deems advisable, including legal and actuarial counsel. In addition, all matters regarding eligibility and the amount, manner and time of payment of any benefits hereunder will be the sole responsibility of the District.

7.8 Rules and Interpretations: The RCID VEBA has the authority to make such rules and regulations and to take such action as may be necessary to carry out the provisions of the Plan and the discretion to interpret these rules and regulations, as well as the terms of the Plan. The RCID VEBA may delegate any part of its authority and duties as it deems expedient. All rules and decisions of the RCID VEBA will be uniformly and consistently applied to all Eligible Employees in similar circumstances. When making a decision, the RCID VEBA will be entitled

to rely upon information furnished by an Eligible Employee, the Employer, the legal counsel of an Employer, any actuary servicing the plan, the Trustee, and/or the insurer.

7.9 Indemnification: To the extent an employee of the Employer or RCID VEBA is used to administer or carry out the purpose of the Plan, and is acting in good faith in the scope of his or her employment, RCID VEBA retains responsibility for his or her actions, and indemnifies that employee accordingly. To the extent Plan funds are insufficient for any indemnification, the cost of such indemnification will be born and guaranteed by the Employer.

ELIGIBILITY AND BENEFITS

2.1 The eligibility requirements for benefits hereunder, the amount and type of benefits, the circumstances under which benefits will and will not be provided, and other provisions affecting eligibility and benefits are set forth in the relevant policy for retiree health insurance coverage and death benefits established by the District. In general, the Plan is expected to partially-fund the continuation of benefits to Members and their spouses and dependents in accordance with that policy. Trust.

company or medical care provider. This Plan is not expected to provide funds directly to any Member, spouse, or dependent.

2.3 This Plan and the Trust may be used to partially-fund benefits. As such, benefits described herein will not be due under the Plan to the extent any of the following apply:

(a) A determination is made under the Plan that a benefit is not properly payable under the Plan or the relevant retiree medical policy established by the District;

(b) Benefits requested exceed the value of the Trust (including principal and earnings), in which event only those benefits in excess of Trust assets may be declined on this basis;

(c) Benefits are paid by the Employer; or,

(d) The Employer expresses the intention to pay or otherwise fund or provide benefits without the use of Trust Funds.

ARTICLE III

3.2 The RCID VEBA may, but is not obligated to, request or demand funding from the Employer. The RCID VEBA's only recourse for the Employer's failure to make contributions is the denial of benefits for insufficient funds.

ARTICLE IV

ESTABLISHMENT OF FUND AND TRUSTEE

4.1 Trust Fund: The RCID VEBA will maintain a Trust Fund in connection with the Plan, the Trustee of which will be selected by the RCID VEBA or the Employer. Contributions made by the Employer from time to time under the Plan will be paid into such Trust Fund.

4.2 Appointment of Trustee: A Trustee will be appointed by the RCID VEBA Board to administer the Trust Fund. Until another person or entity is appointed, the RCID VEBA Board shall serve as Trustee.

4.3 Responsibility of Trustee: All contributions under this Plan will be paid to the Trustee and will be held, invested and reinvested by the Trustee, in line with the District's investment policy and restrictions. All property and funds of the Trust Fund, including income from investments and from all other sources, will be retained for the exclusive benefit of Members, as provided in the Plan, and will be used to pay benefits on behalf of Members, to pay expenses of administration of the Plan and Trust Fund to the extent not paid by the District, or to reimburse the District for benefits and benefit expenses paid directly by the District.

ARTICLE V

MISCELLANEOUS

5.1 Spendthrift, Nonassignability, and Facility of Payment: Benefits payable under the Plan are not in any way subject to the debts or other obligations of the Employer or Eligible Employees, and may not be voluntarily or involuntarily sold, transferred or assigned to any person or persons other than the provider or providers of medical, hospitalization, and other related services.

5.2 Mistake of Fact: Any misstatement or any other mistake of fact in any notice or other document filed with the Employer, the RCID VEBA, or the Trustee will be corrected when it becomes known and proper adjustment made by reason thereof. Neither the Trustee, the Employer, nor the RCID VEBA will be liable in any manner for any determination of fact made in good faith.

5.3 No Vested Interest: Without limiting rights to benefits from the District, no Eligible Employee or any other person will have any right, title or interest in or to the assets of the Trust Fund, or in or to any Employer contributions thereto, such contributions to be made to and held under the Trust for the sole purpose of providing benefit payments under the Plan in accordance with its terms and defraying expenses thereof. Neither the Trustee nor the Employer in any way guarantee the payment of any benefit which may become due on behalf of any Member under the Plan. The liability of the Employer and the Trustee for payment of benefits under the Plan as of any date is limited solely to the then assets of the Trust Fund.

5.4 Applicable Law: Subject to the provisions of the Code which may be applicable and provide to the contrary, this Plan, as amended from time to time, will be administered, construed and enforced according to the laws of the state of Florida and in courts situated in that State.

(a) For the purposes of the Florida Trust Code, this Plan relates to a charitable trust whose funds are used for governmental purposes, as described in Florida Statutes Chapter 736.0405(1).

(b) For the purposes of the Code, this Plan relates to a tax-exempt trust under Section 501(c)(9) of the Code, whose funds are used to satisfy the "essential governmental function" (as that phrase is used in Section 115 of the Code) of providing medical benefits to Eligible Employees, to the extent the Employer is obligated to provide such benefits.

5.5 Employment Rights: Employment rights of an Eligible Employee will not be deemed to be enlarged or diminished by reason of the establishment of this Plan, nor will any provisions of this Plan be deemed to confer any right upon any Eligible Employee to be retained in the service of the Employer.

5.6 Taxation: The taxation of Plan assets is not warranted or guaranteed, but the following tax treatment is anticipated-

(a) Contributions into the Trust Fund and benefits paid by the Trust Fund as <u>medical benefits</u> will not be a tax event for the RCID VEBA, the District, or Members (or their spouses and dependents) pursuant to subsection (b) of Treasury Regulation 1.501(c)(9)-6, and sections 104, 105, 106, and 115 of the Code.

(b) Contributions into the Trust Fund for death benefits will not be a tax event for the RCID VEBA, the District, or Members (or their spouses and dependents) pursuant to subsection (b) of Treasury Regulation 1.501(c)(9)-6 and section 115 of the Code. Benefits paid to Members may be taxable under sections 61(a) or 79 of the Code.

(b)(c) Assets retained by the Trust Fund and Trust Fund earnings will be exempt from taxation under sections 501(c)(9) and 115 of the Code; and,

(e)(d) Section 125 of the Code will not apply since all assets of the Trust Fund are employer contributions.

ARTICLE VI

AMENDMENT, TERMINATION, CONSOLIDATION OR MERGER

6.1 Amendment: The Plan may be amended by the RCID VEBA at any time and from time to time, except that no such amendment will permit the return or reversion to the Employer of any part of the Trust, nor permit the use or application of the Trust Fund for the benefit of anyone other than Eligible Employees. This Plan may be amended by a written resolution adopted by a majority of the Board of Directors of the RCID VEBA.

6.2 Termination: The Plan may be terminated at any time by the RCID VEBA, subject to the same limitations with respect to the effect of any such termination as are set forth with respect to amendments of the Plan. Termination of the Plan will be effected by a written resolution adopted by a majority of the RCID VEBA's Board of Directors. Furthermore, the Plan will also automatically terminate if the RCID VEBA (1) is legally dissolved, (2) makes a general assignment for the benefit of its creditors, (3) files for liquidation under the Bankruptcy Code, (4) merges or consolidates with any other entity and it is not the surviving entity, or if it sells or transfers substantially all of its assets, or goes out of business, unless the RCID VEBA's successor in interest agrees to assume the liabilities under this Plan as to the Members. 6.3 Disposition of Trust Fund Upon Any Termination: Upon termination of the Plan, the Trustee, in accordance with the Trust Agreement, will apply all the remaining assets of the Trust Fund in a uniform and nondiscriminatory manner exclusively toward the provision of benefits for or on account of Members. This includes transferring Trust Fund assets to an irrevocable trust to be maintained by the District to provide medical benefits to Members.

6.4 Contributions Contingent Upon Approval: This Plan and Trust are designated to qualify under Section 501(c)(9) of the Code. Anything contained herein to the contrary notwithstanding, if a determination letter issued by the Internal Revenue Service is to the effect that the Plan and Trust herein set forth or as amended prior to the receipt of such letter do not meet the requirements of Section 501(c)(9) of the Code, the District will be entitled at its option to withdraw all contributions theretofore made, in which event the Plan and Trust will then terminate and all rights of the Members will cease and come to an end with the same effect as if the Plan and Trust had never been adopted.

Trust Fund assets will be held or distributed as herein provided, unless the successor to the Employer assumes the duties and responsibilities of the Employer by adopting this Plan and Trust, or by the establishment of a separate Plan and Trust to which the Trust Fund assets of this Trust will be transferred with the consent and agreement of the RCID VEBA.

ARTICLE VII

7.3 Each Fiduciary warrants that any directions given, information furnished, or action taken by it will be in accordance with the provisions of the Plan or the Trust Agreement, as the case may be, authorizing or providing for such direction, information or action. Furthermore, such Fiduciary may rely upon any such direction, information, or action of another

Fiduciary as being proper under this Plan or the Trust Agreement, and is not required under this Plan or Trust Agreement to inquire into the propriety of any such direction, information or action. It is intended under this Plan and Trust Agreement that each Fiduciary will be responsible for the proper exercise of its own powers, duties, responsibilities and obligations under this Plan and the Trust Agreement and will not be responsible for any act or failure to act of another Fiduciary. No Fiduciary guarantees the Trust Fund in any manner against investment loss or depreciation in asset value.

7.4 Administration: The Plan will be administered by the RCID VEBA, in accordance with the terms of this Plan, the Trust, and the RCID VEBA's bylaws.

7.5 Claims Procedure: The right of any person to a benefit will be determined in accordance with the applicable District policy.

7.6 Records and Reports: The RCID VEBA will exercise such authority and responsibility as it deems appropriate in order to comply with applicable reporting requirements, and to assist the District with its reporting requirements relating to Plan assets. At a minimum, records of Trust Fund contributions and distributions will be maintained.

7.7 Other Powers and Duties: The RCID VEBA will have such duties and powers as may be necessary to discharge its duties hereunder, including, but not by way of limitation, the following:

(e) to appoint or employ (either directly or through its secretary) individuals to assist in the administration of the Plan and any other agents it deems advisable, including legal and actuarial counsel. In addition, all matters regarding eligibility and the amount, manner and time of payment of any benefits hereunder will be the sole responsibility of the District.

7.8 Rules and Interpretations: The RCID VEBA has the authority to make such rules and regulations and to take such action as may be necessary to carry out the provisions of the Plan and the discretion to interpret these rules and regulations, as well as the terms of the Plan. The RCID VEBA may delegate any part of its authority and duties as it deems expedient. All rules and decisions of the RCID VEBA will be uniformly and consistently applied to all Eligible Employees in similar circumstances. When making a decision, the RCID VEBA will be entitled to rely upon information furnished by an Eligible Employee, the Employer, the legal counsel of an Employer, any actuary servicing the plan, the Trustee, and/or the insurer.

7.9 Indemnification: To the extent an employee of the Employer or RCID VEBA is used to administer or carry out the purpose of the Plan, and is acting in good faith in the scope of his or her employment, RCID VEBA retains responsibility for his or her actions, and indemnifies that employee accordingly. To the extent Plan funds are insufficient for any indemnification, the cost of such indemnification will be born and guaranteed by the Employer.

RCID UTILITY DIVISION FY21 UTILITY RATE REVIEW MARCH 24, 2021

RCID Utility Division Mid-Year Rate Adjustment

It is proposed for RCID's Utility Division to make offsetting rate adjustments in the electric rates to Energy and Fuel. These adjustments will keep the net impact to customers unchanged.

 It is the industry standard to pass through fuel benefits or determents of fuel to customers. With more solar in the power mix, fuel costs are less. Currently the fuel rate is over collecting for the cost of fuel and the energy rate under collecting for the cost of energy (non-fuel)
